in your Proceedings R.C. No. 5138 of 03 dated 27th February
1906. In this connection I desire to draw your attention

C. No. 1810 From the O.P. 9

No. 5138, dated 31. 10. 1906.

SUBJECT.

Recommending that the time originally allowed for completing the extensions to the building occupied by the Hindu High School Triplicane, may be extended by three months.

One of the conditions imposed by Government on the authorities of the Hindu High School, Triplicane, while sanctioning a grant not exceeding Rs. 6000 towards extending the building occupied by the school, was that the work of extension should be completed before 30th September 1906. The manager of the school now writes to say that as there has been some delay in getting bricks from the Govt. kiln, it is found impossible for the contractor to have the work completed by the 30th September last. He therefore requests that the time may be extended by 3 months, i.e. till the 31st December 1906. The Director recommends the request.

2. Submitted that the manager should have applied for the extension some weeks before the expiry of the time originally allowed by Government. His letter is dated 12th October 1906. As however more than a month has now elapsed after the expiry of the term, it is for orders whether the recommendation of the O.P. 9 may be approved and the draft submitted below issued.
