EDUCATIONAL DEPARTMENT.

C. No. 1825 From the D. P. I. No. 7307, dated 5th Nov. 1906.

SUBJECT. Purchase of articles of European manufacture.

All articles required for the public service which cannot be manufactured in India are, as an almost invariable rule, to be obtained by indenting on the Secretary of State. The special cases in which with the previous sanction of the Government stores of European manufacture may be obtained in India are:—

- 1st When, for any special reason, it may be more economical to do so;
- 2nd When stores indented for from England have not arrived, or when a sudden emergency has arisen, and in either case, only if serious inconvenience to the public service would be caused by waiting for the stores from England;
- 3rd When the articles are perishable.

Vide paras - 2 & 3 of the Res. of the S. of I. in the Financial Dept. dated 10th January 1883 ^{printed with G.O. no 1907 dated 31st January 1883 - also resolution printed with G.O. no 3587 dated 24th June 1889 and article 98 (K) of the Civil account code.}

2. In the current under notice the D. P. I. proposes to purchase certain articles of European manufacture locally for the Reformatory School Chingleput at a cost of Rs 598. And the case does not seem to fall under any of the exceptions above

above mentioned. with the exception of the reversible
back benches and the set of stocks and dies which
can be manufactured in India all the remain-
ing articles must it ~~be submitted~~ ^{would seem to} have been
indented for from the Secy of State.

3. Orders are solicited whether in these cir-
cumstances the purchase of the articles in the
local market may be sanctioned.

The O.P.P. may perhaps be asked to justify his
request ~~for~~ that the articles may be locally
purchased.
