SUBJECT.

Permanent exemption of Muhammad Hoorillah Salih, from the examination rules, for employment as a Sub-Inspector in the Salt, Abkari & Customs Dept.

The Board requests that Govt will be pleased to sanction the permanent exemption of Muhammad Hoorillah Salih from the examination rules, for employment as a Sub-Inspector in the Salt, Abkari and Customs Dept. He has passed the Lower Secondary examination and studied up to the 5th Form. He is reported to be a member of the Nawab's family in Masulipatam. He was tried as an acting Sub-Inspector for one year and the Dy. Commissioner reports very favourably of his work. Submitted as there is a paucity of Muhammadans in the higher grades that no case has been made out for the permanent exemption of the applicant. It is not stated what steps have been taken to procure the services of a passed candidate & with what result? In a similar case, exemption was refused - Vide G.O.

Q. No. 230 Est 2/28.3.06 - but it was only in connection with the notes prepared for the last time that it was found that Muhammadans are not sufficiently represented in the higher grades.

I do not remember this point. Please show the notes. Jm

The notes are with the P.S.G. He did not pass the A.S.

grades of the Salt reports.

It cannot be said that qualified men are not available for Sub-Inspectors' jobs in the Salt & alkali. and unless it is decided as a matter of general policy to employ more Muhammadans in the Dept., even if they are not qualified, there seems no reason to exempt.

As a very special case in the case, pointing out that a disqualified man should not have been employed without sanction, or if sanction to exemption is refused where it is proposed to confer him the candidate is sure to feel seriously aggrieved

He has been mentioned on
the list for a reason - the
number of Muhammadans in the
Salt & alkali Dept. is very small

Please put up the Public Service Service notification. Has not the Board power to exempt for acting appointments of any duration and to any grade of salary?

Phy 5.11.06

R.

A copy of the Public Service notification is submitted. Under article 412 - page 2 - the Board has power to exempt without limit of time or salary - for employment in acting or out pro tem vacancies and in temporary posts.

What the Phy refers to seems to be the employment of unpassed men with a view to their subsequent confirmation.

But it does not appear from the file that the Board made any promise in this case. In a similar case about a year ago when the Board proposed an exemption on the ground that its service was in faltering on. the Govt. advised that the man should first be given

an acting post to prove his fitness. In cases of this nature where exceptions are made on the ground of personal qualifications and practical fitness, it is submitted that the Board must be in a position to try a man in an acting post in order to prove his fitness, as a basis of recommendation for permanent exception. I think that the last part of the draft ~~was~~ maybe omitted.

In the circumstances
of the Board, I have
thought it a very special case
to permanently exempt from the
ordinary examination for appointment
as a sub-prosecutor in the Hall, the
candidate who has been previously
examined and found to be qualified
for the position, under the
provisions of the Act.
I have no objection to his
being placed in the list of
candidates in order to be
eligible for the position.
