C. No. 1674 From the Hon. Secretary, C. O. A. No. —, dated 4-10-1908.

SUBJECT.

Re: the transfer of certain girls from the Lawrence Asylum to the Military Female Orphan Asylum.

G.O. No. 335 Edl dt 10-5-06. I

While ~~passing orders on~~ sanctioning the application of the Directors of the Civil Orphan Asylums, Madras, for the usual grant of Rs 1,200 in aid of the ~~Civil Orphan~~ Asylums for the year 1905 the Government noticed the deficiency in the number of students maintained on account of the late Military Female Orphan Asylum – namely 15 at the close of 1905 against 30 the sanctioned number.

Page 1 of G.O. No. 420 Edl dt 15-6-06. K.

2. The Honorary Secretary then informed the Government that the full number was not maintained because there were no applications for admission & that a list of vacancies would be submitted to the Lawrence Asylum every month. It was also stated that ~~and that~~ 16 recommendation rolls had already been ~~submitted by~~ received from the Principal & Secretary of the Lawrence Asylum whereby the existing vacancies could be filled up.

3. He now writes to say that the parents & guardians of the children, referred to in para 2 supra, have unanimously refused their consent to the children being sent to the Civil Orphan Asylum.

A.

Under para. 1 of the scheme for the management of the properties formerly vested in the Directors of the late Madras Military Female Orphan Asylum on page 9 of G.O. No 212 Edl dt 5th April 1904 the land & buildings belonging to the Asylum were transferred to the Civil Orphan Asylums on condition that the latter shall maintain 30 additional girls. ~~If this~~ This condition cannot be fulfilled unless a sufficient number of girls go to the Civil orphan Asylums. But at the same time the question arises whether in case ~~that if~~ the C.O.As are unable to secure the number they should not pay some contribution to the ~~[illegible] orphan~~ Lawrence Asylum at Ootacamund so as to enable the latter institution to maintain a slightly increased number. Under the ~~terms~~ scheme above referred to (it has to) maintain (only) an additional number not exceeding 100.

The Lawrence Asylum ~~-~~ Female Branch, had its full number and two more at the end of 1905 – The maximum strength before the amalgamation was 65 – rule 32 of the rules of the Asylum on page 32 of the

E. report for 1905 stitched with G.O. No 456 Edl dt 28th June 1906. As stated in the last line of the office note of the 16th instant, the Female Branch ~~it~~ has to maintain 100 girls more under the scheme of amalgamation but the total actual strength on the last day of 1905 was 167 – page 6

Secy:

The above note shows that the Lawrence Asylum is fulfilling its obligations at least and the Civil Orphans Asylum for no fault of its own. is not.

It seems to me doubtful from a legal point of view whether the latter Asylum can make a contribution to the former in the manner suggested. Each asylum administers property belonging to the late Military Female Orphans Asylum on certain conditions which have to be fulfilled if the trust is not to fail. and it seems doubtful if any transference of funds can take place without a revision of the scheme of management. It seems a pity that no provision was made for a contingency like this — want of applicants.

Um
31.10.06.

There appears to be nothing for it but to record the papers. Perhaps the L. Asylum Committee might refuse to register the names of any further girls until the Civil Orphan Asylum has obtained its full complement. Do the rules admit of such refusals?

But the L.A. cannot exceed their No.? ?

E. Submitted that there is nothing in the rules either about registering the applications or about refusing registration — please see rules 33 & 35 on page 32 of the Asylum ~~report~~ stitched with G.O. no 456 Genl dd 28th June 1906. The Committee seem however to possess full discretion in the matter.

2. With reference to Resolution No.XI passed at the meeting of the Committee of the Lawrence Asylum, Ootacamund, held on the 21st September 1906, it will be pointed out to the Committee that, as the maximum number of girls to be maintained in the Asylum is fixed at 165, all applicants for admission in excess of that number will ~~more or less~~ practically be compelled to go to the Civil Orphan Asylum; The fact that vacancies are available in the Civil Orphan Asylum might be pointed out to candidates for admission to the Lawrence Asylum who have no reasonable prospect of admission to that institution at an early date.
