Letter—from the Hon'ble Mr. T. T. Logan, B.A., Acting Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department (through the Accountant-General).
Dated—the 11th October 1906.
No.—Ref. on C. No. 6717.

I have the honour to request that you will be so good as to obtain the sanction of Government to the appointment in the Medical School, Rápuram, of—

(i) a Gymnastic Instructor on Rs. 20—1—25.

(ii) a Head Clerk on Rs. 20—2—40, and

(iii) an Ayah or female attendant on Rs. 5 and to the designation of the present clerk being altered into "Assistant clerk and Librarian" and to the pay of the post being at the same time raised from Rs. 15 to Rs. 15—1—20.

2. The provision of a gymnasium at a cost of Rs. 500 forms one of the items in the proposals for accommodation required for the Medical schools contained in paragraph 14 of the Surgeon-General's letter embodied in G.O., No. 320, Educational, dated 10th June 1901, but in paragraph 11 of the same letter dealing with establishment no reference is made to the appointment of a Gymnastic Instructor. The school is thus in possession of a gymnasium and if it is to be properly utilized it is necessary to appoint an instructor. Considering the importance of the school as judged by the number of students the work of the instructor is likely to be heavy and it will, therefore, be necessary to appoint to the post a capable and experienced person. I have, therefore, fixed the scale of his pay at Rs. 20—1—25 which is not high for a town like Madras.

3. The Superintendent states that the clerical work in the school is heavy and that a great deal of it is either left undone or delayed as it is more than can be got through by a single clerk. He also states that in the Medical College there are, besides the librarian and an attender, two clerks—one on Rs. 50—5—75 and another on Rs. 15—1—25—and that the Ráyapuram Medical school in which the office work is by no means less heavy should be allowed a similar clerical establishment. A detailed account of the clerical work is furnished in the enclosed copy of the Superintendent's letter No. 720, dated 28th September 1906, and a scrutiny of it would seem to point to the necessity for strengthening the establishment. The appointment of a Head Clerk on Rs. 20—2—40, the scale sanctioned for the clerks in the Law College and the Government Colleges at Kumbakónam and Rajahmundry, and the raising of the pay of the present clerk from Rs. 15 to Rs. 15—1—20 under the designation of Assistant clerk and Librarian will, it seems to me, meet the present requirements of the school. As there is no librarian for the school the opportunity may be taken to entrust to the junior clerk the charge of the library in addition to his other duties and to allow him a slightly higher rate of pay in view of the combined duties.

4. There are seven lady students in the school and the Superintendent states that an Ayah to attend on them is necessary. As there is a similar post in the Medical College I consider that the proposal may be sanctioned.

5. The Superintendent has also recommended increased salaries to certain attenders, but I do not consider them necessary, at any rate, for the present.

6. The proposals, if sanctioned, may have effect from 1st March next. I am making a lump provision for the purpose in the budget estimate for 1907–1908. The necessary proposition statement is submitted.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 753, EDUCATIONAL, DATED 21ST NOVEMBER 1906.

[SUBJECT.—*Employment of additional establishments in the Medical School at Ráyapuram.*]

From the Director of Public Instruction, dated 11th October 1906, No. 6717.

The Director of Public Instruction requests sanction to the following additional establishments in the Medical School at Ráyapuram which he proposes to employ from 1st March 1907—

(i) *A Gymnastic Instructor on Rs.* 20—1—25.—The school possesses a gymnasium and an instructor is considered necessary. The present number of students in the school is not stated, but the work of the instructor is expected to be heavy "considering the importance of the school as judged by the number of students." The strength on 31st March 1906 was 198—page 12 of volume II of the Public Instruction report for 1905–1906.

(ii) *A Head Clerk on Rs.* 20—2—40.—The clerical work of the school is stated to be heavy and is more than can be got through by a single clerk. It is also stated that in the Medical College there are, besides a librarian and an attender, two clerks—one on Rs. 50—5—75 and another on Rs. 15—1—25, and that the Ráyapuram school in which the office work is by no means less heavy should be allowed a similar establishment. The scale of pay proposed is the same as that sanctioned for the clerks in the Law College and the Kumbakónam and Rajahmundry Colleges. A detailed statement of the clerical work is submitted by the Director of Public Instruction.

(iii) *An ayah,* or female attendant, on Rs.* 5 *per mensem.*—It is stated that there are seven lady students in the school, that an ayah is required to attend on them and that there is a similar post in the Medical College.

* Rather a dignified title for a menial on Rs. 5 !

H. D. TAYLOR.

Submitted that the proposition statement gives the designation as "Female attendant" only.

P. T. THARYAN.

2. The Director also proposes to raise the pay of the existing clerk from Rs. 15 to Rs. 15—1—20 and to change his designation into assistant clerk and librarian.

A ridiculous title for a clerk on Rs. 15. He should be called simply "clerk."

G. S. F[ORBES].

But surely his duties are whatever he is called upon to perform !

H. D. TAYLOR.
11-11-06.

Yes. If he is called librarian, he will come up for higher pay.

G. S. F[ORBES].

The number of volumes in the library is 520 and this clerk will be in charge of the library in addition to (*as part of?*) to his *other duties*. The increment is proposed on account of this combination of duties.

N.H.S.—1-11-06.

The following is the pay of gymnastic instructors employed in other Government institutions at present :—

	RS.
Presidency College	60—2—80
Kumbakónam College	20—2—40
Rajahmundry College (Arts section)	20—2—40
Mangalore College	20
Medical College	25
College of Engineering	20—2—40
College of Agriculture	22½
Teachers' College	20—2—40
Rajahmundry College (Training section)	20—2—30
Madrasa-i-azam	15—1—20
School of Arts..	10—1—15

P. T. THARYAN—1-11-06.

The Director's proposals appear to be moderate and may be approved.

C. G. MACKAY—3-11-06.

I would approve the proposals except that the pay of the head clerk may be Rs. 25—1—35 instead of Rs. 20—2—40. His minimum pay should not be less than the maximum pay of the gymnastic instructor.

G. S. F[ORBES].

H. D. TAYLOR—11-11-06.

Yes; and the clerk should be a "clerk".

G. S. F[ORBES]—11-11-06.

Please draft.

H. D. TAYLOR—14-11-06.

The draft placed below is submitted for approval. If approved, it may be forwarded to Financial for acceptance.

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government to the appointment in the Medical School, Rayapuram of

i A gymnastic instructor on Rs 20-1-25

ii A Head clerk on Rs 20-2-40

and

iii An ayah or female attendant on Rs 5 and to the designation of the present clerk being altered into Assistant clerk and librarian and to the pay of the post being at the same time raised from Rs 15 to Rs 15-1-20.

2 The provision of a gymnasium at a cost of Rs 500/- forms one of the items in the proposals for accommodation required for the Medical Schools contained in para 14 of the Surgeon-General's letter embodied in G.O. No. 320 Educational dated 10th June 1901 but in para 11 of the same letter

dealing with establishment no reference is made to the appointment of a gymnastic instructor. The school is thus in possession of a gymnasium and if it is to be properly utilized it is necessary to appoint an instructor. Considering the importance of the school as judged by the number of students the work of the instructor is likely to be heavy and it will, therefore, be necessary to appoint to the post a capable and experienced person. I have, therefore, fixed the scale of his pay at Rs 20-1-25 which is not high for a town like Madras.

3 The Superintendent states that the clerical work in the school is heavy and that a great deal of it is either left undone or delayed as it is more than can be got through by a single clerk. He also states that in the Medical College there are besides the librarian and an attender two clerks one on Rs 50-5-75 and another on Rs 15-1-25 and that the Rayapuram Medical School in which the office work is by no means less heavy should be allowed a similar clerical establishment. A detailed account of the clerical work is furnished in the enclosed copy of the Superintendent's letter No. 720/06 dated 28th September 1906 and a scrutiny of it would seem to point to the necessity for strengthening the establishment. The appointment of a Head clerk on Rs 20-2-40 - the scale sanctioned for the clerks in the Law College and the Government Colleges at Kumbakonam and Rajahmundry - and the raising of the pay of the present clerk from Rs 15 to Rs 15-1-20 under the designation of assistant clerk and librarian will, it seems to me, meet the present requirements of the school. As there is no librarian for the school the opportunity may be taken to entrust to the Junior clerk the charge of the library in addition to his other duties and to allow him a slightly higher rate of pay in view of the combined duties.

4 There are seven lady students in the school and the Superintendent states that an ayah to attend on them is necessary. As there is a similar post in the Medical College I consider that the proposal may be sanctioned.

5 The Superintendent has also recommended increased salaries to certain attenders but I do not consider

them necessary at any rate for the present.

SUBJECT.

Appointment of ~~an~~ addl. Establishments in the Medical School at Rayapuram.

The Director of Public Instruction requests sanction for the following additional establishments in the Medical School at Rayapuram which he proposes to employ from 1st March 1907.

(i) A gymnastic instructor on Rs 20-1-25

The School possesses a gymnasium and an instructor is considered necessary. The present number of students in the School is not stated but the work of the instructor is expected to be heavy "considering the importance of the School as "judged by the number of students". The strength on 31st March 1906 was 198 - page 12 of Vol. II of the Public Instruction report for 1905-06.

(ii) A Head clerk on Rs 20-2-40.

The clerical work of the School is stated to be heavy and is more than can be got through by a single clerk. It is also stated that in the Medical College there are, besides a Librarian and attender,

two clerks one on Rs 50-5-75 and another on Rs 15-1-25 and that the Royapuram School in which the office work is by no means less heavy should be allowed a similar establishment. The scale of pay proposed is the same as that sanctioned for the clerks in the Law College and the Kumbakonam and Rajahmundry Colleges. A detailed statement of the clerical work is given on pages 4 and 5 of the current file.

Submitted that the proposition statement gives the designation as "Female attendant" only.

(iii) [An ayah or] female attendant on Rs 5 per mensem.

It is stated that there are seven lady students in the school; that the ayah is required to attend on them and that there is a similar post in the Medical College.

2. The Director also proposes to raise the pay of the existing clerk from Rs 15 to Rs 15-1-20 and to change his designation into Assistant clerk and Librarian.

A ridiculous title for a clerk on R 15. He sh'd be called simply "clerk". SJ7

The number of volumes in the library [orbis] is 520 and this clerk will be in charge of the library in as part of? addition to his other duties [orbes].

But surely his duties are what he is called upon to perform!

duties. The increment is proposed on account of this combination of duties.

The Director's proposals appear to be moderate and may be approved.

W. Mackay
3/11/06

I would approve the proposals except that the pay of the head clerk may be R 25-1-35 instead of R 20-2-40. His minimum pay should not be less than the maximum pay of the gymnastic instructor.
