Sr,

In G.O. No. 146 Educational dated 9th March 1905 Government sanctioned the temporary transfer of the appointment of "Agricultural Assistant" in the Government Training School at Bellary to the establishment of the Government Training school at Chittoor. The Inspector of European and Training Schools in reporting that the Accountant-General has objected to the pay of the instructor being drawn on the establishment bill of the school at Chittoor on the ground that the sanction referred to above has lapsed, requests that the instructor may be continued at Chittoor until the work in connection with the sinking of a well and the putting up of a compound wall for the school in Bellary has been carried out. He also states that an excellent garden has already been planted at Chittoor and

that there is no use in transferring the instructor to Bellary until the conditions are such as to favour his doing equally good work there. I have the honour in these circumstances to request that you will be so good as to obtain the necessary sanction of Government.

I have the honour to be,

Sir,

Your most obedient servant,

In G.O. no. 146 Edl & 9th March 1905 the Govt sanctioned the transfer of the Agricultural Asst. of the Govt. Training School at Bellary to the Govt. The D.P.I. now states that no well as yet has been sunk and no compound wall built at the Bellary School and requests that until these works are carried out the Agricultural Asst. may be continued at Chittoor where an excellent garden has been planted. He does not say for what period or until what date the Agricultural Asst should be continued at Chittoor. The sanction may perhaps be extended for another year. If this suggestion is approved the draft placed below may be issued. If approved ~~the~~ the draft may be
