GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper :—

Letter—from the Hon'ble Mr. T. T. Logan, B.A., Acting Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 30th October 1906.
No.—Ref. on Cur. No. 5157.

With reference to G.O., No. 527, Educational, dated 9th August 1906, I have the honour to resubmit the plans and estimates for the additional buildings of St. Aloysius' High School, Vizagapatam, and to state that the alterations suggested by the Chief Engineer are shown in the estimates and the note by the District Board Engineer dated 8th and 7th October 1906, respectively.

Order—No. 776, Educational, dated 29th November 1906.

The construction of additional buildings for the St. Aloysius' High School, Vizagapatam, may be proceeded with in accordance with the estimate as now revised, due notice of commencement of work being given to the Executive Engineer, Vizagapatam Division. The grant promised in G.O., No. 232, Educational, dated 29th March 1906, will be paid on the completion of the work subject to the conditions :—

(1) that the work is completed before the 31st of January 1908 ;

(2) that a certificate of the actual expenditure incurred on the work is submitted before the 28th of February 1908 ;

(3) that the actual expenditure does not fall short of Rs. 45,780.

In other respects the conditions (5) to (9) specified in G.O., No. 232, Educational, dated 29th March 1906, will remain in force.

2. If on completion of the work and scrutiny of the accounts, the Director finds that any material saving has been effected in the estimate as now revised, he will report the fact to Government.

NOTES CONNECTED WITH G.O., No. 776, EDUCATIONAL, DATED 29th NOVEMBER 1906.

[Subject.—*Building grant for St. Aloysius' High School, Vizagapatam.*]

From the Director of Public Instruction, dated 30*th October* 1906, *No.* 5157.

In G.O., No. 527, Educational, dated 19th August 1906, the Director of Public Instruction was requested to call on the authorities of the St. Aloysius' High School at Vizagapatam to have the estimates for additional buildings for the school revised in accordance with the recommendations of the Chief Engineer contained in his memorandum printed with G.O., No. 232, Educational, dated 29th March 1906, and to have the section on line XY continued across the road beyond Y to see how the level of the bath-room compares with the road, as the floor of the former is 8 feet below that of the remainder of the building.

2. With his current letter the Director of Public Instruction resubmits the plans and estimates. An estimate showing the alterations necessitated by the Chief Engineer's note is also submitted. In consequence of the alterations, the estimate is reduced by Rs. 657. Regarding information about the level of the bath-room as compared with the road, please see the note of the District Board Engineer, dated 7th October 1906.

3. Submitted that the file may be sent *un-officially* to the Public Works Department to ascertain whether the recommendations of the Chief Engineer have been fully carried out.

	RS.
Amount of estimate	45,923

The Educational Department forward the above estimate for scrutiny as to whether the recommendations of the Chief Engineer printed in G.O., No. 232, Educational, dated 29th March 1906, have been carried out or not.

2. The nature of the surface and sub-soils is sand—*vide* note on cross section TUVW tracing. A cross section is now submitted (attached to the plan on line XY) showing the nature of the ground slope at cross section E.F.G.H. of the building and showing how the bath-room is made 8 feet below the level of the other portions of the

building. The scantlings of the girders and joists have been altered as per Chief Engineer's memorandum. Data is submitted for randum rubble in mortar, concrete, pointing and terracing. The rates are fair. Rates for teak doors and windows have been reduced as per Chief Engineer's memorandum, but the rate for varnishing at Rs. 5-8-8 per 100 square feet has not been reduced. For teak wood the rate has been reduced from Rs. 4 to Rs. 3-14-0 per cubic foot.

3. By the alterations ordered in the Chief Engineer's memorandum, there is a reduction of Rs. 657 in the amount of the estimate which will now be Rs. 46,580 — 657 = Rs. 45,923.

R. J. P. Enright—12-11-06.

A. G. Romilly—12-11-06.

J. P. Davidson—14-11-06.

The Chief Engineer's recommendations have been fully carried out except in regard to the rate for "varnishing three coats." For this item the rate provided in the estimate is Rs. 5-6-0 per 100 square feet for the lower storey and Rs. 5-8-0 for the upper storey, while the Consulting Architect's schedule rate is only Rs. 2-12-0. A rate of Rs. 3-4-0 for the lower storey and Rs. 3-6-0 for the upper storey may be allowed. This will cause a further reduction of Rs. 146 in the amount of the estimate, which may be passed for * Rs. 45,780.

*46,580 — 657 — 146 = 45,777.

EDUCATIONAL DEPARTMENT.

In G.O., No. 232, Educational, dated 29th March 1906, a grant not exceeding Rs. 22,000 was sanctioned towards the cost of constructing additional buildings for the St. Aloysius' High School at Vizagapatam, subject to certain conditions, one of which is that the actual expenditure does not fall short of Rs. 46,580. The estimate as now revised comes to only Rs. 45,777. Should the original grant be reduced, seeing that the cost has been reduced by Rs. 803?

P.K.M.—17-11-06.

The grant may perhaps stand at Rs. 22,000. It is within half the total of the estimate as finally revised Under article 57 of the Code for European schools, one-half is the maximum payable. The school is classed as a European school in the list of European schools recently submitted by the Director of Public Instruction.

2. The authorities of the school may be asked to carry out the work in accordance with the estimate as now revised.

C. G. Mackay.

P. T. Tharyan—18-11-06.

Submitted that the difference in the revised estimate being small, the original grant may stand, provided the estimate is adhered to.

C. G. Mackay—20-11-06.

Please see paragraph 1 (4) on page 7 of G.O., No. 232, Educational, dated 29th March 1906. No reduction need be ordered at the present stage. If after completion of the work and scrutiny of the accounts the Director finds that any material saving has been effected he will doubtless report the fact.
