Letter from the Hon'ble Mr.T.T.Logan B.A., Acting
Director of Public Instruction, Madras.
Dated 21-9-1906.
No.R.O.C.7049/6.

With reference to the enclosed copy of a letter, dated 7th September 1906, from Mr.Fyson of the Presidency College, I have the honour to request you will be so good as to let me know, whether he may be instructed to forward his travelling allowance bills to the Board of Revenue for sanction out of the funds at the disposal of the Board, and whether it would not be desirable for the Board to obtain the sanction of Government for his undertaking tours of this kind.

As head of the Educational Department, I have no objection to granting him leave to absent himself from head-quarters on Gazetted holidays.

Enclosure.

Letter from P.F.Fyson Esq., B.A.F.L.S., Professor of
Biology, Presidency College, Madras
To the Director of Public Instruction, through the Principal,
Presidency College.
Dated 7th September 1906.

I have the honour to ~~the~~ submit the following:—
I have for some time been conducting experiments on the influence of ancestral characters on the colours of flowers, the form of the leaves and of the stem and the nature of the seed in plants, choosing for my purpose varieties of cotton plants, as variations in these respects occur among them.

This year the Board of Revenue (Land Records and Agriculture) have given me permission to grow my plants on their farm at Attur, near Chingleput. A copy of their Proceedings I enclose.

I have the honour to ask you to grant me permission to leave Madras and spend Saturdays and Sundays at Chingleput, when I find it necessary. I should like to leave Madras on the evenings of Fridays, and return on the mornings of Monday (or of the Tuesday if the Monday happens to be a holiday) next following.

These visits would not interfere, in any way, with my duties at the College. I have also the honour to ask you to make such leave retrospective as from Friday the 31st August.

I would also submit to your kind consideration that the expenses of these visits, amounting to not more than, I think, Rupees Three hundred and fifty during the rest of the official year, will be more than I can afford and I have the honour to ask you to grant me leave to draw travelling allowance and halting allowance on the usual scale for these visits.

IV.

Letter from W.Dobbie Esq., Accountant General,Madras.
Dated 8-10-06.
No.G.1095/7896.

In reply to your reference, No.3574, dated 1st October 1906, I have the honour to state that as Mr.Fyson is an officer of the Educational Department, and the work on which he will be engaged at Chingleput is work appertaining to the Agricultural Department, the sanction of Government is necessary for his tours to that station.

2. If Mr.Fyson is permitted by Government to undertake the tours, he will be entitled to Double first class Railway-fare to and from Chingleput and to daily allowance for the halts there. His travelling allowance will be charged to the -- Educational Department under article, 824 A of the Civil Account Code, Volume II, for which budget provision will be required.

Reference thereon No.3817, dated 22-10-1906.

The Board begs to address Government on the subject of allowing Mr.Fyson, Professor of Biology, in the Presidency College, to visit the Attur pumping station from time to time, in connection with the conduct of experiments in -- crossing cotton.

---

2. In May 1906 Mr.Fyson furnished the Board with a preliminary account of the experiments in cotton-crossing conducted by him at Madras during the preceding 1½ years, with the aid of a contribution of Rs.200 made from -- Provincial funds; and as the experiments could not, from the nature of the case, be completed for at least two -- more seasons and the number of plants to be kept under -- observation was too large to be grown at Madras, he -- offered to grow them at Attur if a continuance of the -- experiments was desired by the Board. The Board was of opinion that it was clearly desirable that the experiments should be continued on the lines already commenced by -- Mr.Fyson, and in its Proceedings read again above, it gladly accepted his offer. Mr.Fyson has, accordingly, been visiting the Attur station from time to time since the 31st -- August 1906 without prejudice to his other duties. The Director of Public Instruction has no objection to granting Mr.Fyson leave to absent himself from head-quarters on - Gazetted holidays. The tours to Attur, however, involve expenditure, which Mr.Fyson cannot be expected to pay out of his own pocket, and he claims travelling allowance, which the Director of Public Instruction desires the Board to sanction out of the funds at its disposal. The Accountant - General points out that, under article 824 A of the Civil Account Code Volume II, the travelling allowance is -- debitable to the Educational Department and that the -- sanction of Government is necessary to enable Mr.Fyson to pay these occasional visits to Attur on behalf of the -- Agricultural Department. The Board requests that Government will be pleased to accord this sanction, and to make a special grant of Rs.350 to the Educational Department out of the provision made under 'Reserve at the disposal of the Board' in the Budget estimates for 1906-07 under "26 H Scientific &c., Departments - III (3) Experimental

Farms and Cultivation to enable the Educational Department to defray the amounts of Mr.Fyson's travelling allowance bills for such tours. The necessary reappropriation statement is herewith submitted.

Mr Fyson, Professor of Biology Presidency College, Madras, has been conducting experiments in cotton-crossing in Madras with the aid of a provincial grant of Rs 250, since* Sep 04. The nature of the experiments ~~were~~ are is such that they ~~could~~ can not be completed for at least two more seasons, and ~~moreover~~ the ~~number of~~ plants that ~~had~~ have to be kept under observation ~~had become~~ have too ~~many~~ numerous to be grown at Madras.
