Sir,

I humbly beg to say that a book on Estimating is, in my opinion, a long-felt want among (1) Students of the Engineering Institutions of this Presidency and Mysore and Travancore States (2) those, preparing for the Government Technical Examinations, and (3) Subordinates of the Public Works Department, in consequence of Scourcy's book on Estimating, having run out of print. I wish, therefore, to publish one which will meet their present day requirements.

In this connection I beg to state that the undertaking of this work will not interfere with my duties in the College, as only leisure hours and College holidays will be utilised.

Under the above circumstances I humbly beg that you will be pleased to grant me permission for the publication of the same.

I beg to remain,

Sir,

Your most obedient Servant,

To

The Director of
Public Instruction, Madras.

SIR,

Enclosure. one

I have the honour to submit an application from M.R. K. C. Subbaiya Chetti, an Assistant Instructor of this College. The applicant asks to be permitted to compile a volume on Estimating to replace the volume of "Civil Engineering College Papers" on that subject which was formerly available for sale to the public.

2. I am of opinion that no text book on Estimating is required for this College; but there seems to be some demand for such a work outside the Institution.

3. I see no objection to the permission applied for being granted on the understanding that M.R. Dy K.C. Subbaiya Chetti employs his leisure time only, and that he does not make use of the standard plans and estimates provided for this College.

I have the honour to be,

Sir,

Your most obedient servant,

H. D. Love.
