GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I

Letter—from C. A. PATERSON, Esq., M.A., LL.B., Registrar, University of Madras.
To—the Secretary to Government, Educational Department.
Dated—Senate House, the 21st November 1906.
No.—3055.

From the draft Regulations prepared by the Special Committee of the Senate and submitted to Government it will be seen that the syllabuses in Mathematics for the Matriculation and Intermediate Examinations of the University have been recast by the inclusion of experimental Geometry, graphic methods of solution, and practical application of logarithmic tables. With a view, therefore, to familiarising the Assistant Lecturers in Mathematics in the first and second grade Colleges and Mathematical teachers in High Schools with modern experimental methods of teaching Mathematics the Syndicate has, with the approval of the Senate, arranged for a course of lectures to be delivered during the ensuing Christmas holidays at the following three centres:—

- (i) College of Engineering, Madras.
- (ii) Government College, Rajahmundry.
- (iii) St. Joseph's College, Trichinopoly.

The Syndicate has resolved not to charge any fees for admission to the lectures. It is roughly estimated, as shown below, that the charges connected with these lectures will amount to about Rs. 1,700. But the actual amount may, perhaps, be somewhat less or more:—

	RS.
Remuneration to three lecturers at Rs. 300 each	900
Squared paper for about 300 teachers at one quire for each	500
Advertisement charges	66
Black-boards divided into square inches, two for each centre	30
Printing, postage, sundries, etc., say	50
Assistant Lecturers (if necessary) on Rs. 50, one for each centre	150
Total	1,696

2. I am directed by the Syndicate to request that His Excellency the Governor in Council will be pleased to sanction the incurring of the charges connected with the lectures from the grants "on account of University Education" referred to in G.O., No. 29, Educational, dated the 18th January 1906.

I am further directed to request that the Government will be pleased to sanction payment from the same grants, of the travelling charges amounting to Rs. 138 incurred by Mr. R. Ll. Jones in connection with his recent deputation, under section 21 (2) (a) of the Indian Universities Act, 1904, to inspect and report on the application for the affiliation of the Maharaja's College, Trivandrum, in Branch II-A (Physics).

The Syndicate considers that from the terms of G.O., No. 29, Educational, dated the 18th January last, the above charges may be legitimately met from the grants, and trusts that the Governor in Council will see his way to grant its request.

3. As soon as the actual amount of the expenses connected with the lectures is known, contingent bills, with vouchers, will be prepared and presented to the Accountant-General, and he may be instructed to pass them for payment.

II

Letter—from C. A. PATERSON, Esq., M.A., LL.B., Registrar, University of Madras.
To—the Secretary to Government, Educational Department.
Dated—Senate House, the 24th November 1906.
No.—3086.

In continuation of my letter No. 3055 of the 21st instant, I have the honour, by direction, to state that the lecturers appointed for Rajahmundry and Trichinopoly have found it indispensable that they should come up to Madras in order to draw up, in consultation, a syllabus of lectures. The travelling charges incurred by them will also have to be paid.

They will be paid at the rates the University pays to the Examiners for attending meetings of Examiners, viz., single first-class fare to and fro, *plus* Rs. 6 batta per day (not exceeding 2 days)

The lecturer for Trichinopoly further intimates that he has arranged to make locally at a cost of about Rs. 20 some simple models in wood of the solids and their sections that will be required by him for use at the lectures.

2. I have the honour to request that the Governor in Council will be pleased to sanction the incurring of these charges also from the Government grants.

Order—No. 797, Educational, dated 7th December 1906.

Orders will issue in the Financial Department placing an additional grant of Rs. 2,000 at the disposal of the Syndicate of the Madras University for the purpose of meeting the charges mentioned in the Registrar's letters read above.

(True Extract.)

H. D. TAYLOR,
Ag. Secretary to Government.

To the Registrar, Madras University.
 " Director of Public Instruction.
 " Financial Department.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 797, EDUCATIONAL, DATED
7TH DECEMBER 1906.

[SUBJECT.—*Grant for University purposes.*]

From the Registrar, Madras University, dated 21st November 1906, No. 3055.

" " " " 24th " " " 3086.

The Syndicate of the University of Madras bring to the notice of Government that the syllabuses in mathematics for the Matriculation and the Intermediate examinations have been recast by the inclusion of *experimental* geometry, graphic methods of solution and practical application of logarithmic tables and that they have, with a view to familiarising the mathematical teachers in colleges and high schools with modern experimental methods of teaching mathematics, arranged for a course of lectures to be delivered during the ensuing christmas holidays at Madras, Rajahmundry and Trichinopoly.

2. The cost of these lectures is expected to amount roughly to Rs. 1,840 as follows :—

	RS.	A.	P.		RS.
* Trichinopoly to Madras and back	31	6	0	Remuneration to three lecturers at Rs. 300 each	900
Rajahmundry to Madras and back	67	12	0	Squared paper for use by the teachers	500
Daily allowance	24	0	0	Advertisement charges	66
Total	123	2	0	Black-boards—two for each centre	30
				Printing, postage and other miscellaneous charges	50
				Assistant lecturers (if necessary) three on Rs. 50 each	150
				* Travelling allowances to two lecturers	124
				Cost of simple models in wood	20
				Total	1,840

3. The Syndicate further report that they deputed Mr. R. Ll. Jones to inspect and report on the application for the affiliation of the Maharaja's College, Trivandrum, in Branch II-A (Physics) and that his travelling expenses amounted to Rs. 138. The travelling allowances of Mr. Jones will now be governed by the principles laid down in the Government of India letter No. 860-64, dated 14th November 1906—*Vide* G.O., No. 802, Educational, dated 8th December 1906.

4. The Syndicate request that Government will be pleased to sanction these charges (Rs. 1,840 + Rs. 138 = Rs. 1,978) being met from the grant on account of University education referred to in G.O., No. 29, Educational, dated 18th January 1906.

5. On the remark made by the Syndicate that these charges may be legitimately met from the above-said grant, the Secretary has noted as follows :—"I think so; but is there budget provision?" Submitted that in the current year's budget there is a provision of Rs. 20,000 for University purposes and that, out of this amount, a sum of Rs. 10,651-10-0 has been expended as follows :—

	RS.	A.	P.
G.O., No. 249, Financial, dated 30th March 1906	151	10	0
" " 301, Educational, dated 2nd April 1906	500	0	0
" " 371 " " 26th May "	10,000	0	0

The balance now available therefore is Rs. 9,348-6-0. The sum of Rs. 1,978 required by the Syndicate may, if sanctioned, be met from this amount of Rs. 9,348-6-0.

6. The mathematical instruments indented for in 1905 have been received during the year; a sum of Rs. 32,500 would have to be paid on their account—*vide* paragraph 3 of the notes with G.O., No. 295, Educational, dated 26th April 1906.

The provision in the current year's budget is not sufficient to meet this charge. The Accountant-General's revised estimate also stands at 24.11 lakhs against 24.02 in the budget excluding 6.0 transferred to Adjusting Heads. The value of the stores supplied has however to be adjusted by the Accountant-General when information is received from the India Office. When the Accountant-General informs Government

G. S. F[ORBES]. of this adjustment, Financial may be asked to sanction a reappropriation of the amount required.

T.K.—27-11-06.

P. T. THARYAN—27-11-06.

The expenditure may be met from the balance of the Rs. 20,000.

C. G. MACKAY—28-11-06.

H. D. TAYLOR—29-11-06.

G. S. F[ORBES]—30-11-06.

Please draft.

H. D. TAYLOR--1-12-06.

A draft is placed below for approval. If approved it may be forwarded to Financial for acceptance. The charges according to the calculations made in this office come to Rs. 1,978. It is therefore proposed to make a grant of Rs. 2,000 in round numbers.
