Sir, Adverting to G.O. NO 584. Dins. dated
6th September 1908, I beg to state that while
I feel thankful to you for subscribing for
2 copies of the "Educationalist" I am put to
the necessity of looking up to you for more
substantial support. Conducted as it is
as a weekly in the interests of the mem-
bers of the Educational profession, the
"Educationalist" ought to be patronised by
the members of that profession. But to
speak the plain truth those that are not
directly connected with the department
of Public Instruction in the several provin-
ces patronise it only very scantily while
departmental men excuse themselves
from giving it their support pleading that
they cannot do anything without the
permission of Govt. In these circumstances
I have had to conduct the journal at
a loss for the last 12 months though
it ought to have proved a success by
this time had sufficient support
been forthcoming. Still I am confident
that the paper will be at least self-
supporting if Local Governments will
kindly subscribe for 200 copies each

C. No. 2092 From the Editor of the Educationalist No., dated 19. 12. 1906.

SUBJECT.

Requesting that 200 Copies of his journal may be subscribed for.

M.

In go no. 584, Edl. d. 6th September 1906 the Govt. directed that two Copies of the "Educationalist" will be subscribed for by them & that the Editor will be permitted to the privileges of the E.T. in respect of papers dealing with Educational matters.

2. He now requests that 200 more Copies of the journal may be ordered for the use of the officers of the Madras Educational Dept. from next year.

M.

3. The Director, Dr. Bourne, has noted on page 4 of go no. 584 Edl. d. 6. 9. 06:- "I do not think that the paper has any educational value". In the face of these remarks it seems hardly desirable to extend the patronage of Govt further than what has already been shown. If approved, the draft placed below may issue.
