GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from C. A. PATERSON, Esq., M.A., LL.B., Registrar, University of Madras.
To—the Secretary to Government, Educational Department.
Dated—Senate House, the 18th January 1907.
No.—131.

I have the honour to point out some slight misprints in the Regulations of the Madras University published in the *Fort St. George Gazette Extraordinary* on the 31st December 1906. These misprints are simply repetitions of misprints in the printed copy of the Regulations passed by the Senate.

On page 766, in the 23rd line from the bottom, the words “Allyl” and “Alkyl” have been transposed. The line should therefore be as follows:—

“Alkyl Chlorides, Bromides and Iodides. Allyl Iodide”

On page 771 in table “IV. Logic, Psychology and Ethics” in the 4th and 6th lines the words “and Theory of Knowledge” should be omitted. These words have been inserted owing to an undetected misprint in the print of the Regulations passed by the Senate, the word “do.” not having been deleted. The table should be as follows:—

iv. Logic, Psychology and Ethics.

Days.	Hours.	Subjects.	Marks.
First day	10—1 2—5	Logic and Theory of Knowledge	80
Second day	10—12 2—4	Special Subject	80
Third day	10—12 2—4	Psychology	60
		Do.	60
		Ethics	60
		Do.	60
Total ..			400

I have the honour, therefore, to ask that Government will be pleased to notify the necessary corrigenda in an early issue of the *Fort St. George Gazette*.

Order—No. 41, Educational, dated 23rd January 1907.

The following corrigenda will be published in the *Fort St. George Gazette*:—
