C. No. 134 From the Director of Public Instruction No. 68, dated 19-1-1907.

SUBJECT.

Requesting sanction to the purchase of bricks from the Contractor to the Public Works Department.

B.

Please see go no. 822 Dtd 11-12-06 in which

the Director was given permission to purchase the bricks required for the masonry class of the Reformatory School from the South Indian Railway Company at Chingleput till bricks became available at the Govt. brick-fields.

2. He now writes to say that the Superintendent of the Reformatory School has, in anticipation of sanction, arranged to obtain bricks from the Contractor to the Public Works Department, as the Railway District Engineer was found unable to supply them.

For orders as to whether the arrangement may be sanctioned with the concurrence of the Public Works Department.

The original idea was that the bricks should be obtained from the Govt. Brick fields, the object being to ensure that the bricks were of the best quality. As no bricks were available in the Govt. brick fields, sanction was accorded to the purchase of South Indian Railway bricks, which the D.P.G. said were equally good. The D.P.G. now states that as Railway bricks are not available, the Superintendent of the Reformatory School has arranged to obtain bricks

bricks from the contractor of the Public Works Department. The decision in G.O. 602 Educational, dated 13th September 1906, that bricks from the Govt brick fields should be obtained was based on the recommendation of the P.W.D. - vide paragraph 3 of the late Chief Engineer's (Mr. Davidson's) note on page 2 of the notes with G.O. 602, dated 13th September 1906 - The Public Works Department may perhaps be consulted before ^{is accorded to} apt sanctioning the present arrangement.

Ex. A, a temporary arrangement. In view of the fact that the Govt brick fields are not available for the Govt brick fields, but it seems desirable that the bricks should be purchased from the local Executive Engineer or the Contractor may be allowed to purchase bricks. These are of a secondary nature. P.W.D. should accept.

The Engineer will now have time to do this - Mr S.D.O. Chingalepet is fully competent to pass the bricks.
