GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from I. MacIVER, Esq., I.C.S., President, District Board, Anantapur.
To—the Secretary to Government, Educational Department.
Dated—the 4th January 1907.
No.—R.C. 167.

With reference to G.O., No. 738, Educational, dated 14th November 1906, making a lump sum grant of Rs. 10,000 "in aid of Primary Education" in this district besides a grant previously made of Rs. 10,300, I have the honour to inquire whether these grants are in addition to a grant of Rs. 6,620 sanctioned by Government when passing the current budget of the Board. The budget was prepared before the new Grant-in-Aid Code was brought into force and the provision in the budget was for purposes contemplated in the previous code and for which no expenditure can be incurred under the present code.

The favour of an early reply is solicited.

Order—No. 52, Educational, dated 31st January 1907.

The grant of Rs. 20,300 sanctioned in G.O., No. 738, Educational, dated 14th November 1906, is separate from, and in addition to, the grant of Rs. 6,620 provided in the budget estimate of the District Board for the current year under paragraph 4 of G.O., No. 415-A L., dated 1st April 1906. The Accountant-General has been authorised in paragraph 4 of G.O., No. 738, Educational, dated 14th November 1906, to place the former sum (Rs. 20,300) at the disposal of the District Board. The President should report at an early date whether any portion of the allotment is not required for expenditure in the current year, and can be surrendered. The actual amount of the contribution to be paid to the District Board for the purposes for which the grant of Rs. 6,620 is provided in the budget estimate of the District Board will be determined hereafter and will be intimated to the President in due course.

NOTES CONNECTED WITH G.O., No. 52, EDUCATIONAL, DATED

In G.O., No. 738, Educational, dated 14th November 1906, a grant of Rs. 20,300 as detailed below, was made to the District Board of Anantapur from Provincial funds, out of the special grant of six lakhs in aid of primary education in the current year :—

(1) For maintenance of Board's schools newly opened	Rs. 73
(2) For furnishing and equipping Board's schools newly opened	322
(3) For completion of Board's school buildings commenced in 1905-1906	555
(4) For new school buildings	9,350
(5) Lump grant in aid of primary education	10,000
Total	20,300

In paragraph 4 of this order, the Accountant-General was authorized to place this sum of Rs. 20,300 at the disposal of the District Board. This sum is thus credited at once to Local Funds.

2. In paragraph 4 of G.O., No. 415-A L., dated 1st April 1906, reviewing the budget estimate of the Anantapur District Board for the current year, the contribution to the District Board from Provincial funds on account of education, was put down as Rs. 6,620, of which Rs. 4,000 represented the subsidy for grants to aided schools and Rs. 2,620 grants for other purposes, including grants payable from Provincial funds to Board's schools. The actual amount to be placed at the disposal of the District Board to enable it to pay its grants to aided schools will, however, be settled later * on. As regards the remaining grant of Rs. 2,620 for which provision is made in the budget, it is submitted that under the new Grant-in-Aid Code, no grants are payable to Board's schools; but from paragraphs 4 to 8 of the Director's letter on pages 2 and 3 of G.O., No. 356, Educational, dated 21st May 1906, and from pages 9 and 63 of the notes in that

No grants will be paid but whatever assistance is required for maintaining these schools will be given in the shape of a subsidy outside the Code.

Government order, it appears that contribution will be paid separately to Local Boards to enable them to meet the additional expenditure thrown on them by the Grant-in-Aid Code. The Provincial grant of Rs. 6,620 on account of education, provided in the

budget estimate of the District Board of Anantapur, for the current year is thus entirely separate from the special grant of Rs. 20,300 sanctioned in G.O., No. 738 Educational, dated 14th November 1906, but the actual contribution to be paid to the District Board will be determined hereafter and will be intimated to the President in due course. Submitted that the President may be informed accordingly.

3. A draft order is submitted. If approved it may be forwarded to Educational for acceptance.

T.K.A.—11-1-07.

P. T. THARYAN—11-1-07.

The case requires to be examined in the Educational Department. If that department sees no objection to the proposed order, Local and Municipal need not object; but the order should issue apparently in the Educational department to which the current may be transferred?

H. D. TAYLOR—12-1-07.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

The Director of Public Instruction has recently submitted proposals for the payment of subsidy to the several District Boards. The total amount of the proposed subsidy exceeds the amount available for the purpose by Rs. 40,000 and the Director of Public Instruction has proposed that this sum of Rs. 40,000 should be met from the lump grants in aid of primary education amounting to Rs. 65,358 ordered to be paid to the District Boards of Koraput, Nellore, Gódvári, Kurnool, Bellary, Anantapur, Cuddapah and the Nilgiris in paragraph 3 of G.O., No. 738, Educational, dated 14th November 1906, or by an additional allotment of Rs. 40,000 from savings. No orders have yet been passed on these proposals. It is therefore submitted that until it is determined whether the lump grants sanctioned to Anantapur and other District Boards in paragraph 3 of G.O., No. 738, Educational, dated 14th November 1906, should or should not be made to cover the subsidies payable to them, this file in which the same question is raised may lie over.

T.K.—19-1-07.

If the Financial Department are unable to sanction the additional allotment of Rs. 40,000 asked for by the Director of Public Instruction for payment of subsidy to the District Boards, the Director of Public Instruction's alternative suggestion to meet this extra amount from the lump allotments made to the Anantapur and the other seven District Boards, will have to be adopted.

K. RANGASWAMI AIYANGAR—19-1-07.

Submitted that this order may meantime await the decision as to the provision of the Rs. 40,000.

C. G. MACKAY—21-1-07.

A considerable portion of the Rs. 20,300 is required for new buildings. The Rs. 10,000 was given in aid of the District Board in addition to the provision taken credit for in its budget on account of the financial condition of the District Board and to prevent the necessity of closing many existing elementary schools. So far as I recollect, the Director of Public Instruction's suggestion, which was merely a suggestion that these sums should be reappropriated, was not accepted in the Educational Department. We cannot keep the District Board waiting to know if it can expend the grants made specifically for school buildings as the Board requires to take early action. We may wait two days only.

H. D. TAYLOR—22-1-07.

The other file relating to the allotment of subsidies for District Boards and Municipalities for 1906-1907 has not yet returned from the Financial Department.

2. Orders are solicited whether the draft order in this case may be accepted at once and the file returned to Local and Municipal. The point referred to in the latter part of the draft order may be considered in Local and Municipal after the issue of orders in regard to the subsidies to be paid to the several District Boards in the current year.

Local and Municipal asked Educational to issue the order. But it does not matter much. Financial should see in any case.

The decision on this case will depend upon the ultimate disposal of the case regarding the additional allotment of 40 lakh for which the Director of Public Instruction applied under ADJUSTING HEADS. That case was returned to Educational to-day.

C. M. SCHMIDT—28-1-07.

If Educational cannot find out, within a reasonable time, whether there are any sums available for reallocation the best course will be to give a grant of Rupees 40,000 at once and withdraw later on such portions of the grants already given as cannot be spent in the year.
