G.O., No. 693, Educational, dated 30th October 1906.

ABSTRACT.—Sanctioning the transfer of the establishment attached to the office of the Secretary to the Board of Examiners for Teachers' Certificates to the control of the Inspector of European and Training Schools.

II

Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 18th January 1907.

No.—Ref. on Cur. No. 9005 of 1906.

In G.O., No. 693, Educational, dated 30th October 1906, Government in sanctioning the transfer of the establishment of the Teachers' Certificate office to the control of the Inspector of European and Training Schools considered that it was not necessary to retain the peon borne on that establishment. Mr. Stone, however, requests that this order may be reconsidered as the necessity for a peon to do the work connected with the holding of examinations and the issue of teachers' certificates has not in any way been diminished by the amalgamation of the two offices. He says—

As a matter of fact there is a great deal of work for a peon in connection with the Teachers' Certificate office. Frequent communications have to pass between it and the Government Press which must often be sent by hand and a great deal of sealing and packing of examination papers has to be done. My office is now a large one with rooms both up and down stairs. My own two peons are fully occupied and it is often necessary to take both of them on tour when the Teachers' Certificate office will be left without a peon.

2. I recommend the request for favourable consideration.

Order—No. 73, Educational, dated 12th February 1907.

In the circumstances stated, the Government approve the retention of the peon attached to the office of the Secretary to the Board of Examiners for Teachers' Certificates. Provision has been made for this purpose in the Civil Budget Estimate for 1907-1908 under 22-B. EDUCATION—INSPECTION ESTABLISHMENT.

NOTES CONNECTED WITH G.O., No. 73, EDUCATIONAL, DATED
12TH FEBRUARY 1907.

[SUBJECT.—Requesting that the peon sanctioned for the office of the Secretary to the Board of Examiners for Teachers' Certificates may be retained.]

From the Director of Public Instruction, dated 18th January 1907, No. 9005.

In paragraph 11 of G.O., No. 509, Educational, dated 31st July 1906, the Government sanctioned the abolition of the Board of Examiners for Teachers' Certificates and approved the proposal of the Director of Public Instruction to transfer the work done by the Board to the Inspector of European and Training Schools.

2. In G.O., No. 693, Educational, dated 30th October 1906, the Government sanctioned the transfer to the control of the Inspector of European and Training Schools of the establishment attached to the office of the Secretary to the Board of Examiners for Teachers' Certificates. In according this sanction, the Government observed that as the establishment of the Inspector and that of the Secretary to the Board of Examiners for Teachers' Certificates would both be in the same office, there appeared to be no necessity for the retention of the peon sanctioned for the latter officer and accordingly abolished the post—G.O., No. 693, Educational, dated 30th October 1906.

3. The Inspector of European and Training Schools, Mr. Stone, now requests that the above order may be reconsidered as the necessity for a peon to do the work connected with the holding of examinations and the issue of teachers' certificates has not in any way been diminished by the amalgamation of the two offices.

4. The Inspector urges that "as a matter of fact there is a great deal of work for a peon in connection with the Teachers' Certificate office. Frequent communications have to pass between it and the Government Press which must often be sent by hand and a great deal of sealing and packing of examination papers has to be done." Mr. Stone further states that his two peons are fully occupied and that when both of them are taken on tour, as is often necessary, the Teachers' Certificate office will be left without a peon.

5. The Director recommends Mr. Stone's request for favourable consideration.

6. It is for consideration whether Mr. Stone's request may be granted. He seems to have made out a case for the retention of the peon.
