NOTES CONNECTED WITH G.O., No. 75, EDUCATIONAL, DATED
12TH FEBRUARY 1907.

[*SUBJECT*.—*Request of the Ootacamund Lawrence Asylum to be granted that the privilege of using service stamps and forwarding State telegrams may be granted to it.*]

Previous papers.

G.O., No. 628, Public, dated 28th April 1860.
" " 474, Educational, dated 9th December 1876.

From the Director of Public Instruction, dated 12th January 1907, No. 9467.

The Secretary to the Lawrence Asylum, Ootacamund, requests that the Asylum may be granted "the privilege of using *service labels* and forwarding *State telegrams*." He states that the Lawrence Asylum at Sanáwar is allowed this privilege.

2. Nothing is known here of the privilege allowed to the Lawrence Asylum at Sanáwar. But under the Resolution of the Government of India in the Financial Department, No. 3837, dated 3rd November 1876, printed in G.O., No. 474, Educational, dated 9th December 1876, "the correspondence of the offices of the Registrars of the "Universities at Calcutta, Madras and Bombay, in so far as such correspondence relates "solely to the public business of the Universities," are treated in the same way as official correspondence and the Registrars are allowed to purchase and use service postage stamps.

3. It is for consideration whether the Government of India may be asked to permit the Secretary to the Ootacamund Lawrence Asylum to purchase and use service postage stamps and to send service telegrams.

T.K.—24-1-07.

Clause 340 of the Indian Postal Guide says—

"340. The following persons are entitled to send postal articles at the official "rates of postage subject to the conditions noted against each :—

(a) "All Government officials, except those who are on leave or have retired from the "service, provided that the articles posted by them are *bona fide* and exclusively on His Majesty's "Service.

(b) "The Registrars of the Universities of Calcutta, Madras, Bombay, Allahabad and the "Punjab, and of the Educational Syndicate Burma, provided the articles posted by them relate "solely to the public business of the University.

(c) "The Astronomer in charge of the G. V. Juggarao Observatory, Vizagapatam, "provided that the articles posted by him relate solely to the business of the observatory."

2. It does not appear that the Lawrence Asylum at Sanáwar has been granted the privilege of using service postage stamps, as stated by the Principal and Secretary of the Ootacamund Lawrence Asylum.

* For definition of "State telegram" please see clause 142 of the Indian Telegraph Guide—page 43 of book put up.

It is not also clear what Major-General Simpson means by his request that the privilege of using State * telegrams may be granted to the Asylum. It is for consideration whether further information may be called for on this point and whether the Director of Public Instruction may be asked to find out and report the authority for the statement that the Lawrence Asylum at Sanáwar is granted the privilege of using service labels and forwarding State telegrams.

C. A. SOUTER—30-1-07.

He means that his telegrams may rank as "State" telegrams. No difficulty.

K. RANGASWAMI AIYANGAR—29-1-07.

The Asylum is in no way a Government institution, except in so far as it is aided by Government. It is doubtful whether the concessions asked for should be granted.

C. A. SOUTER—30-1-07.

I do not see that any sufficient reasons exist for the grant of the concession as to use of service postage stamps. As to "State" telegrams, I cannot see that any advantage or economy is likely to arise from their use and it is not desirable to encourage the use of telegrams in this institution.

C. S. SIMPSON—1-2-07.

You mean we have no precedents in the records of the Public Department for the grant of these privileges to private or semi-public bodies? Have the indices been examined?

A. GALLETTI—2-2-07.

There are no recent precedents in Public. The subject of G.O., No. 628, Public, dated 28th April 1860† was dealt with in

† Grant of postage privilege to University of Madras.

Public, but at the present day, a Government Order dealing with the case of the University, would issue in Educational.

The remark above was intended to imply that the grant of the privileges sought by the Ootacamund Lawrence Asylum rested with the Government of India. The question whether the request should be supported, or not sent on, should be dealt with in the administrative department concerned. Public has no particular voice in the matter.

C. S. SIMPSON—4-2-07.
