To
The Secretary of Education Department
Dear Sir

In order to complete the requirements for the Art Class Teacher's certificate I wrote on 17th October ult. to the Board of Education South Kensington, London, S. W. asking what I have to do for ; and I received answer to make application to you. Therefore, please kindly let me know when and where I might pass examination. If it were in my school, where I am teaching arts it would be all right; too for Works. I have presently three works accepted for Art Class Teacher's certificate. I have no form at all for Personal Examination which must be made on form 1297. Please send one with the directions I am in need of and you will be obliged very much, Dear Sir,

Dis. No. 703,

Station Madras , Dated the 6th February 1907

From (Name) The Hon'ble Mr. T.T. LOGAN, B.A.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

With reference to your endorsement No. 622, dated 20th December 1906, I have the honour to state that from information received from the applicant, it appears that he has yet to pass in 5 out of 6 of the subjects prescribed for the Arts Class Teachers' Certificate and also to execute 2 of the 5 works prescribed for the certificate. He has thus practically to pass the whole of the test.

He wishes the examination to be held at Tindivanam, but this is out of the question; if the examination is to be held at all it must be in Madras.

2. The Regulations of the Board of Education do not

not specifically provide for the examination of candidates abroad, but assuming that the rules in force in England will apply here a special paid Superintendent would have to be appointed to make the necessary arrangements and to conduct the examinations. The amount of work involved would be considerable, and I do not think that any officer in this department can spare the time for it.

3. Further the Government have examinations of their own in Art subjects, and it does not seem desirable to encourage persons to apply to be examined in this country for certificates granted in England or elsewhere.

4. In these circumstances I recommend that Ero. Mary Maurice Bernard should be informed that it is impracticable to arrange to hold the examinations of the Board of Education in Art for his sole benefit.

I have the honour to be,

Sir,

Your most obedient servant,

Certificate and also to execute two of the fine works prescribed for the examination. In fact, he has yet to pass the whole of the test practically. The reasons given in paragraphs 2 & 3 of the D.P. I's letter for not complying with the petitioner's request appear to be sound. The draft is for approval.
