Letter—from Lieut.-Colonel J. C. MARSDEN, I.M.S., District Medical and Sanitary Officer, Chingleput.
To—the Collector and President, District Board, Chingleput.
Dated—the 19th January 1907.
No.—11/Hospitals.

I have the honour to bring to your notice the great want that exists in Saidapet for a suitable dispensary building.

2. The Local Fund dispensary is at present located in a building in every way unsuited for the purpose, both as to its structure and situation. It is small, dark, ill-ventilated and difficult to keep clean and tidy. Dust blows from the road, and smothers everything. It is surrounded by private latrines, and the smells at times are unbearable. Operations have to be performed under most unfavourable sanitary conditions endangering their success.

3. The matter has been frequently reported on, and the construction of a proper dispensary building has been urged year after year, but with no result, presumably for want of funds.

4. The financial conditions of the Taluk Board and of the District Board do not hold out any hope of the construction of a new dispensary at present.

5. I understand, however, that the Government Agricultural College is to be abolished. In that case there will be several good buildings vacant, and I would request that application be made to Government for the use of one of these as a dispensary, at any rate, till the Taluk Board is able to build one.

6. The main building would be too large, but I would suggest the detached block hitherto used for chemical laboratories, etc. The upper portion of this building is at present occupied by one of the staff, and he might be requested to move over to the Principal's quarters, now lying vacant.

Submitted to Government, through the Surgeon-General, with reference to the correspondence ending with G.O., Mis. No. 1197 L., dated the 1st October 1906.

2. As long as the detached building of the Agricultural College, to which the District Medical and Sanitary Officer refers, is not wanted by the Government for any other purpose which is apparently the case now, I would respectfully submit that it might be temporarily lent or rented to the Saidapet Taluk Board for use as a dispensary.

NOTES CONNECTED WITH G.O., No. 86, EDUCATIONAL, DATED 21st FEBRUARY 1907.

[SUBJECT.—*Requesting that one of the detached buildings of the Agricultural College which is not wanted by Government for any other purpose at present may be temporarily lent or rented to the Saidapet Taluk Board for use as a dispensary.*]

From the President, District Board, Chingleput, dated 26th January 1907, *No.* 85.

A suitable building for the Saidapet Local Fund dispensary having been a long-felt want and no funds being available for constructing a new building, the President of the Chingleput District Board (Mr. Dance) requested, in his letter of 9th September 1906, that one of the buildings attached to the Agricultural College might be made over to the Saidapet Taluk Board for this purpose. The Government thereupon informed the President that the buildings in question would not be available for use as a Local Fund dispensary as they were required for other purposes of Government.

2. In his current letter, the President of the District Board requests on the recommendation of the District Medical and Sanitary Officer that one of the detached buildings of the Agricultural College may, so long as it is not wanted by Government for any other purpose, be temporarily lent or rented to the Taluk Board for use as a dispensary. The Surgeon-General forwards the President's letter for favourable consideration.
