From (Name) The Hon'ble Mr. T.T. Logan, B.A.,

(Designation) Ag: Director of Public Instruction,

Madras.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

With reference to Memorandum of the 22nd January 1907 calling for an early reply to G.O. No. 617 Educational d/ 20th September 1906 regarding the offer of M.R.Ry G. Ramanatha Aiyar to endow a prize in connection with the Government Girls' School, Ongole and with reference to other reminders of a similar kind I have the honour to state that in all cases steps have been taken to convey to the persons concerned the wishes of the Government in the matter, and to enquire whether it is necessary to press them to expedite the submission of the applications under the Charitable Endowments Act. They are all in the position of private individuals offering to found endowments for the benefit of Government institutions and it might perhaps seem ungracious to press them in the matter.

I shall take care to see that no unnecessary

C. No. 283 From the Director of Public Instruction No. 4508/05, dated 5. 2. 1907.

SUBJECT. Enquiring whether private individuals who offer to found endowments should be pressed for the submission of applications.

Please see Cr. O no. 617 Edl d/20. 9. 06 and the notes connected with it. In that order, the Director of Public Instruction was directed to request Ramanatha Aiyar of Ongole to make a formal application under Sub-section (1) (b) of Section 6 of the Charitable Endowments Act, 1890, to vest in the Treasurer of Charitable Endowments the proposed endowment of Rs 200 in connection with the Government Girls' School at Ongole, and to settle a scheme for the administration of the endowment.

Para 1 of Current.

Para 2 of Current.

2. The Director states that he has conveyed the wishes of Government in this and similar cases to the parties concerned; and enquires whether it is necessary to press them to expedite the submission of application for vesting the proposed endowments in the Treasurer of Charitable Endowments. The Hon. Mr. Logan considers that as they ^{parties} are all private individuals offering to found endowments for the benefit of Government Institutions, it would seem ungracious to press them in the matter. He says that he will see that no delay occurs in dealing with the applications when they arrive.

3. It is for consideration what action should be taken ~~whether the Director~~

~~suggestion may be accepted~~

Sec.

There are several of these applications which have been pending for some time. There is much in what the D.P.D. says, but there are various methods of pressing. As far as this office is concerned, these pending papers are a nuisance, & cannot be allowed to remain on the registers indefinitely. There can be no harm in the D.P.D. after a reasonable time asking the Donor to take priority when he intends sending in his application. The Donor has to exercise some courtesy as well as good.

The D.P.D. is informed as at A. The application of the Charitable Endowment Act appears to be viewed by outside parties with some suspicion. They confound the Treasurer of Charitable Endowment with the Govt. & seem to think that money voted in the Treasurer is swept into the coffers of the Govt. In any case it seems undesirable for

This is a mere

Gov. to accept the endowment unless
 placed on a properly ^{legal} footing. In
 future Gov. should make this inquiry before
 addressing Gov. We shall not then have
 the long pending papers on the file.

The vital thing is to get the endow-
 ments - The direction about the
 registers is red tape. The people
 don't exist for the office: but
 the office for the people!
 As suggested, the D.D.I. should
 politely inquire as at A
