GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 21st February 1907.

No.—Ref. on Cur. No. 6949/6.

Under G.Os., No. 101, Educational, dated 28th March 1870, and No. 2, Educational, dated 2nd January 1902, Inspectors of Schools and Inspectresses of Girls' Schools have the power to appoint and punish subordinates in receipt of salaries of not more than Rs. 30 per mensem employed within the limits of their charge; and for the information of the Director a quarterly return of the appointments made and the punishments, if any, inflicted by these officers is submitted to him. The Principals of Arts and Professional Colleges are not lower in rank than Inspectors and Inspectresses, and I beg to recommend that similar powers with similar provision made for check be given to them as well. I consider it necessary in the interests of discipline.

The Accountant-General whom I have consulted on the subject considers that this delegation of power requires the sanction of Government.

Order—No. 105, Educational, dated 1st March 1907.

The proposal of the Director of Public Instruction is approved to delegate to Principals of Colleges the power to appoint and punish subordinates in receipt of salaries not exceeding Rs. 30 per mensem employed in their respective colleges, subject to such check as is indicated in the Director's letter.

2. A report on the result of the delegation should be submitted to Government after the expiry of one year from the date of this order.

NOTES CONNECTED WITH G.O., No. 105, EDUCATIONAL,

From the Director of Public Instruction, dated 21st February 1907, No. 6949.

In their order No. 41, Educational, dated 7th February 1870, the Government, while allowing the Inspectors of Schools to sanction grants of several descriptions within certain limits, considered it desirable that the Inspectors should have some power in the appointment and dismissal of subordinate masters in Government Schools and asked the then Director of Public Instruction (Mr. Powell) to report specifying the regulations which he thought it necessary to prescribe for the exercise of these powers.

2. The Director accordingly replied that they should be "permitted to appoint, dismiss and grant leave to subordinate masters of Government Schools, under the established rules of the educational department and of the Uncovenanted Civil Service". He recommended that "their authority in this respect be limited to masters in receipt of salaries of not more than Rs. 30 per mensem". This recommendation of the Director was approved by Government—please see paragraph 4 of G.O., No. 101, Educational, dated 28th March 1870.

3. The Director now reports that he has been getting, for his information, a quarterly return of all the appointments made and the punishment inflicted by these officers. He states that the Principals of Arts and Professional Colleges are not lower in rank than Inspectors and Inspectresses and therefore recommends that similar powers with similar provision made for check, be given to them also. He considers that this is necessary in the interests of discipline.

4. Submitted that there appears to be no objection to the Director's proposal being approved. For, even as matters now stand, the Principals of Colleges being the persons immediately concerned in the maintenance of discipline among their subordinates, their recommendations as to a subordinate's appointment, dismissal, etc., naturally prevail. The grant of the proposed powers to these officers, therefore, while it makes no difference as far as the subordinates affected are concerned, will lead to minimise the work of the Director of Public Instruction and will probably strengthen the hands of the Principals in the matter of selecting men for the lower paid appointments.
