SECRETARIAT.

To

The Secretary to the Government of Madras,
(Educational Department),
Madras.

SIR,

We, the undersigned citizens of Dindigul, beg leave to submit the following memorial with the full assurance that the Government will be so good as to consider favourably our request.

H.D. Letter
no. 758 Q
10-10-06
flag Z

2. We learn that the Government of India have recently instructed local Governments to open High Schools in every District for the improvement of secondary education.

3. In this connection we beg leave to invite your attention to the desirability of converting the Municipal High School into a Government High School following the example of the Government of the United Provinces in making Municipal High School, Delhi, into a Government High School at the beginning of last year.

4. Dindigul, as the Government is aware, is the Head Quarters of a Sub-Collector and next in importance to Madura in the District, with a population of over 25,000, within the Municipal area. A Government High School, here, will be the only institution best fitted to supply the secondary educational needs of nearly a third of this District.

5. The existing Municipal High School has been doing good work here for the last 16 years since 1890. This institution was making a profit until very recently and the surplus balance on the 31st March 1906, was Rs. 1,336-0-10. This annual surplus led to the withdrawal of grants from the Provincial funds from April, 1905. Owing to this reason and owing to the fall in strength due to the opening of the I, II & III Forms by the Jesuit Mission in direct contravention of the Educational rules, even though the Director of Public Instruction, in his Dis. No.-2605/12-5-04

refused to grant the privilege of recognition to the 1st Form in 1904, on the ground that the educational needs of the locality did not warrant the establishment of another secondary school, the Municipal High School is likely to incur a Deficit balance.

6. Consequent upon the stringent enforcement of the provisions of the New Educational rules, several existing Lower Secondary Schools at Palni, Periyakulam, Uttamapalayam, Melmangalam & Bodinayakanur will either collapse or be classified as elementary schools in which case a Government High School, here, will receive large accessions from those schools, when suitable hostel accommodation is provided for the institution.

7. This is the only non-sectarian institution in this place and it is housed in a Government building formerly occupied by the Government Taluq School.

8. It is needless to urge that a Government High School, at Dindigul, will not entail upon Government any heavy initial outlay inasmuch as a Government building, furniture, apparatus & appliances of the existing Municipal High School are ready to hand and that a Government High School, here, will be patronised by the public irrespective of caste, creed or color, owing to its undenominational character.

9. In conclusion we would request you to be so good as to give effect to the orders of the Government of India by making the Municipal High School, here, a Government institution, at least from April 1907, the beginning of the coming official year.

Dindigul,
28th January 1907.

9 Educational DEPARTMENT. 11

C. No. 311 From the Citizens of Dindigul No. ...., dated 28-1-1907.

SUBJECT.

Requesting that the Municipal High School, Dindigul, may be taken over by Govt.

The memorialists state that they have learnt that the Govt. of India have instructed the local Governments to open High Schools in every district for the improvement of Secondary education and request that, in giving effect to the orders of the Govt. of India, the Madras Govt. will take over the Municipal High School at Dindigul and make it a Govt. institution.

Z

2. The memorialists apparently refer to the letter from the Govt. of India no 758, Education, dated 10th October 1906 in which the Govt. of India discuss the steps which should be taken in the near future for the general improvement of Secondary education throughout India. The first suggestion of the Govt of India in this matter is that there should be a Govt. high School in each district. vide para. 4 of the letter above quoted.

Z

3. The letter from the Govt of India was referred U.O. to the D.P.I. for remarks and he has submitted proposals for the establishment

LOCAL & MUNICIPAL

SECRETARIAT.

of a Govt. high school in each district in the Madras Presidency. Vide the Hon'ble Mr. Logan's remarks on pages 10 to 23 of the notes with the Govt. of India's letter no. 758, Ed. dated 10th Oct. 1906 referred to above. As regards the establishment of a Govt. high school in the district of Madura, the D.P.I. does not propose to take over the Municipal High School at Dindigul but considers it desirable that the Govt. model school should be located in Madura, where there was once a Govt. college which was handed over to the Committee of the present College. Vide the D.P.I.'s remarks against Madura on page 13 of the notes above referred to.

4. In these circumstances, it is for consideration whether the present memorial from the citizens of Dindigul may be referred to the D.P.I. for consideration and remarks.

There was considerable difficulty in obtaining land in Madura for a Training School at a reasonable cost, and the same reason would exist for the location of the Model High School also at Dindigul, if it be finally decided that such a school should be opened in the Madura District.

D.P.I. in

In recommending Madura as the place in which a Model High School shd be located I proposed to take over for the purpose either the Madura College or one of the High Schools already existing in Madura (see page 13 of the notes). If this were done there wd be no difficulty about the building.

With regard to the Municipal High School Dindigul, it is included in my scheme for the provincialisation of all Municipal & Board Secondary Schools (see pages 18-21 of the notes)
