GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper :—

Letter—from the Hon'ble Mr. T. T. Logan, B.A., Acting Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department.
Dated—the 1st March 1907.
No.—Cur. No. 1378.

I have the honour to submit herewith, in proof, a revised list of text-books for use in schools under public management, for favour of approval and publication in the *Fort St. George Gazette*. The list was last drawn up in 1901; and since then many new books have been recognized, some of which may with advantage replace others already in use. These books have been introduced into the revised list which has been carefully prepared after consulting the inspecting officers and curtailed as far as possible with regard to the resolution of the Government of India embodied in G.O., No. 94, dated 1st March 1900. The changes introduced in the new University regulations have been kept in view; and a larger number of text-books under Mathematics have had to be put on the list in order to suit both the old and new curricula; but when the new curriculum is fully brought into force the old books will of course cease to be used.

As many schools will have already adopted the books on the old list for this year, I have inserted a note at the top of the revised list to the effect that such books shall be used only for the current year; but I have, in anticipation of sanction, furnished the inspecting officers with spare copies of the proof of the revised list.

Enclosure.

Revised list of books selected for use in schools under public management.

[Note.—The use of the books which are on the previous list will be permitted in these schools for the current year only.]

In their Resolution No. 64—74, Education, dated 8th February 1900, printed with G.O., No. 94, Educational, dated 1st March 1900, the Government of India issued instructions regarding the selection of text-books for use in schools.

2. As regards the text-books to be used in schools under public management, the Government of India in paragraph 11 of their Resolution said: "In the schools "maintained by the Government or by local bodies a large list of text-books is not "required. The course of instruction in each class of schools should be laid down "and the text-books for each particular course absolutely prescribed."

3. In pursuance of the above instruction a list of text-books for use in Government and Board schools was prepared and published in 1901—*vide* G.O., No. 404, Educational, dated 20th July 1901.

4. The Director of Public Instruction (the Hon'ble Mr. Logan) now submits a revised list for approval and publication in the *Fort St. George Gazette*. The Director states that since 1901, when the existing list was drawn up, many new books have been recognized and that some of them may with advantage replace others already in use. Mr. Logan says that these new books have been introduced into the revised list, which has been carefully prepared after consulting the inspecting officers and curtailed as far as possible with regard to the instructions of the Government of India, given in paragraph 11 of their resolution—*vide* paragraph 2 *supra*.

5. Submitted that the revised list prepared by the Director of Public Instruction may be approved and published in the *Fort St. George Gazette*.

Sir,

I have the honour to submit herewith, in proof, a revised list of text books for use in schools under public management, for favour of approval and publication in the Fort Saint George Gazette. The list was last drawn up in 1901; and since then many new books have been recognized some of which may with advantage replace others already in use. These books have been introduced into the revised list which has been carefully prepared after consulting the Inspecting officers and curtailed as far as possible with regard to the resolution of the Government of India embodied in G.O. No. 94 dated 1st March 1900. The changes introduced in the new University regulations have been kept in view; and a larger number of text books under Mathematics have had to be put on the list in order to suit both the old and new curricula; but when the new curriculum is fully brought into force the old books will of course cease to be used.

I have the honour to be,

S i r ,

C. No. 514 From the D.P.I. No. 1378, dated 1-3-1907.

SUBJECT.

Revised list of text-books for use in schools under public management

In their Resolution no. 64-74, Education, dated 8th Feb. 1900, printed with G.O. no. 94 Ed dated 1st march 1900, the Govt. of India issued instructions regarding the selection of text-books for use in schools.

2. As regards the text-books to be used in schools under public management, the Govt. of India in paragraph 11 of their Resolution said "In the "schools maintained by the Govt. or by Local "Bodies a large list of text-books is not required. "The course of instruction in each class of schools "should be laid down and the text-books for "each particular course absolutely prescribed."

3. In pursuance of the above instructions a list of text-books for use in Govt and Board Schools was prepared and published in 1901. vide G.O. no. 404 Edl dated 20th July 1901.

4. The D.P.I. (the Hon'ble Mr. Logan) now submits a revised list for approval and publication in the Fort St. George Gazette. The Director states that since 1901, when the existing list was drawn up, many new books
