GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department.
Dated—the 8th February 1907.
No.—Ref. on Cur. No. 8919 of 1906.

I have the honour to submit for the favourable consideration of Government the accompanying plan with estimate amounting to Rs. 1,680 for extensions and improvements to the building occupied by the Board Elementary school, Addanki, under the management of the Taluk Board, Ongole, together with the application for a contribution on behalf of the proposed work.

2. The present strength of the school is reported to be 110 and this number is likely to increase year after year. The insufficiency of the accommodation has been remarked on by the inspecting officers, and so the additions proposed seem desirable and necessary.

3. The President applies for a third grant of Rs. 560 and the application is recommended in view of the fact that the Board is already spending on education a fair share of its income. If it is sanctioned, I beg to recommend that a sum of Rs. 560 may be included under contribution from Provincial funds in the Taluk Board's budget for the official year 1907–1908, the amount of Rs. 6,500 proposed for next year in my letter to Government, Local and Municipal, R.C. No. 1151-3/06, dated 17th January 1907, being raised to Rs. 7,060.

Order—No. 131, Educational, dated 12th March 1907.

With reference to his letter R.O.C. No. 8919, dated 8th February 1907, recommending a grant of Rs. 560 towards the cost of extensions and improvements to the building occupied by the Board Elementary school, Addanki, the Director of Public Instruction will be informed that, under article 55 of the Grant-in-Aid Code, he is himself competent to sanction the grant.

2. He is requested to include the amount in his proposals for the distribution of the five lakhs grant called for in memorandum No. 338-2, dated 19th February 1907.

NOTES CONNECTED WITH G.O., No. 131, EDUCATIONAL, DATED 11TH MARCH 1907.

[SUBJECT.—*Requesting sanction to a building grant of Rs.* 560 *for the Board Elementary school, Addanki, Guntúr district.*]

From the Director of Public Instruction, dated 8th February 1907, *No.* 8919.

The Director of Public Instruction submits the plan, with estimate amounting to Rs. 1,680, for extensions and improvements to the building occupied by *the Board elementary school*, Addanki, under the management of the Ongole Taluk Board and recommends a third grant of Rs. 560. If this is sanctioned, he requests that it may be included under Contribution from Provincial funds in the Taluk Board's budget for 1907–1908, under which head a sum of Rs. 6,500 has already been entered.

Under article 5 of the new Grant-in-Aid Code, all these grants are payable from Provincial funds.

K. RANGASWAMI AIYANGAR—26-2-07.

But this is a Board school, not a private school, so the force of article 5 is lost.

H. D. TAYLOR—28-2-07.

2. In Memorandum No. 589, Educational, dated 30th November 1906, as modified by Memorandum No. 338-2, dated 19th February 1907, the Director of Public Instruction has been asked to submit proposals for the distribution among Local Boards of 5 lakhs out of the special grant of 6 lakhs during 1907–1908, and in the former memorandum he was informed that "further grants for building purposes "should, for the present, except in special cases, be restricted to what is needed "for the completion of buildings already commenced or for providing buildings for "existing schools which are un-suitably housed."

3. The Director reports that the insufficiency of the accommodation in this case has been remarked upon by the inspecting officers and that the additions proposed seem desirable and necessary. But it does not appear why the Director has submitted a separate application for this grant instead of including this in the distribution of the 5 lakhs grant. Perhaps the Director of Public Instruction may be asked u.o. to state if there are any special reasons for the course now adopted by him.

I don't think this is necessary.

K. RANGASWAMI AIYANGAR—26-2-07.

C. A. SOUTER—27-2-07.

Until we get India's orders on the budget, the present figures cannot be altered; but as this grant is proposed in favour of a Board elementary school, it will, if sanctioned, be a legitimate charge upon the 6 lakhs grant. All that is now wanted is formal sanction in the administrative department. This may be given and Director of Public Instruction requested to include the amount in his proposals for the distribution of the 5 lakhs remaining in the Local section out of the 6 lakhs grant. Under article 55, Grant-in-Aid Code, the Director of Public Instruction would appear to be competent to sanction the grant?

H. D. TAYLOR—28-2-07.

Under article 55 of the new Grant-in-Aid Code, the Director of Public Instruction is competent to sanction building grants of Rs. 1,000 and under.

2. It is submitted that the Director of Public Instruction may be told that he is competent to sanction the grant and that it may be included in the proposals called for in Memorandum No. 338-2, dated 19th February 1907, for the distribution of the lump grant of 5 lakhs for primary education.
