Letter—from R. A. GRAHAM, Esq., I.C.S., Acting Collector of Bellary.
To—the Secretary to Government, Educational Department (through the Director of Public Instruction).
Dated—the 22nd January 1907.
No.—D. Dis. No. 80-Acc.

Under G.O., No. 216, Educational, dated 6th June 1868, the Roman Catholic Orphan Asylum at Bellary obtains from Government a monthly grant equal to the amount realised from local contributions. The payments made during the year 1906 amounted to Rs. 3,058-11-0. Under paragraph 40 of the new Code of Regulations for European Schools, a special grant of Rs. 8 per mensem for each child may be made in aid of boarding charges to orphanages which provide a suitable education, but under paragraph 41 (d) schools cannot claim this grant for children paid for from any other public or private funds. I have the honour to ask whether the payment of the contribution by Government precludes the managers of the orphanage from claiming the special grant under paragraph 40 of the new Code or whether an application for the payment of the special grant should be held to constitute a surrender of the Government contribution. I am not aware whether the managers have applied for the special grant; I understand that they wish to, but are not certain how such an application would affect them; and in view of the possibility of their applying I have thought it advisable to bring to notice the existence of the contribution.

N. Ref. on Cur. No. 513, dated 25th February 1907.

Submitted to Government.

2. From the Government Orders on the case, it would appear that the contribution which the orphanage is receiving from Government replaced the aid which was previously given under the Grant-in-Aid Rules.

The introduction of the Code of Regulations for European Schools does not affect the position; it is merely a change in the Grant-in-Aid Rules and does not concern the management as they have elected with the sanction of Government to be aided on a different system.

It would thus seem that grants cannot be given to this orphanage under the Code of Regulations for European Schools as long as it continues to be aided on the present system of a lump contribution from Government.

Order—No. 151, Educational, dated 19th March 1907.

The Collector of Bellary will be informed that so long as the Roman Catholic Orphan Asylum at Bellary continues to be aided as heretofore by a lump contribution from Government, that institution cannot claim any special grant under rule 40 of the Code of Regulations for European Schools.

NOTES CONNECTED WITH G.O., No. 151, EDUCATIONAL,
DATED 19TH MARCH 1907.

[SUBJECT.—*Eligibility of the Roman Catholic Orphan Asylum, Bellary, to claim special grant under the Code of Regulations for European schools.*]

Previous paper.

G.O., No. 216, Edl., dated 6th June 1868.

From the Collector, Bellary, dated 22nd January 1907, No. 80.

In their memorial, dated 16th January 1868, certain members of the Committee of the Bellary Protestant and Roman Catholic Asylums brought to the notice of Government the propriety of removing those charity schools from the operation of the Grant-in-Aid rules and urged that, with the view of placing the educational arrangements of the asylums upon a footing of efficiency and increased utility, the Government might be pleased to confer upon each of them a general grant-in-aid for educational purposes of Rs. 100 per mensem. The Government, however, before passing orders on the memorial, requested the Committees to submit a detailed plan of the proposed industrial training of the inmates of the asylums and the estimated expenditure under the several heads. On receipt of these detailed proposals, the Government in their Proceedings No. 216, dated 6th June 1868, directed that, "in future, the Government contribution to the Protestant and Roman Catholic Asylums, Bellary, shall be equal to the amount realized from local contributions" and that the grants till then issued to the asylums be withdrawn.

2. The Collector of Bellary (Mr. Graham) in his current letter, dated 22nd January 1907, enquires whether the payment of the contribution by Government precludes the managers of the orphanages from claiming the special grant under paragraph 40 of the new Code of Regulations for European schools or whether an application for the payment of the special grant should be held to constitute a surrender of the Government contribution.

3. Rule 40 of the Code of Regulations for European schools says: "A special grant of Rs. 8 per mensem for each child in addition to ordinary grants of all descriptions is made in aid of boarding charges to orphanages and schools which, in the opinion of the department, provide an education suitable for children of these classes. The place of birth and residence shall not be taken into consideration in awarding such grants."

4. Rule 41 (d) further lays down that "schools cannot claim this grant for military orphans for whom special military allowances are given (such children must, unless specially exempted, read in Military asylums) or for children paid for from any other public or private funds."

5. The Director of Public Instruction is of opinion that grants cannot be given to the Bellary Roman Catholic Orphan Asylum under the Code of Regulations for European schools so long as this institution continues to be aided on the present system of a lump contribution from Government, as this contribution replaced the aid which was previously given under the Grant-in-Aid rules.

6. Orders are solicited whether a reply may be given to the Collector in the terms of the Director's remarks.

P.K.M.—9-3-07.

It does not appear from the Collector's letter whether application has been actually made by the managers of the asylums in question for a special grant under paragraph 40 of the new Code of Regulations for European schools. Mr. Graham simply states that, in view of the possibility of their applying, he has brought to notice the existence of the contribution. It is for consideration whether it would not be better to leave the decision of the question until the application is actually made when the Government may have full information on the matter.

K. RANGASWAMI AIYANGAR—11-3-07.

The lump grant was stated to be in lieu of other grants. It amounted in 1906 to over Rs. 3,000. Better perhaps to tell the Collector at once that the Code cannot be applied.
