The manager of the school now requests that, under article 61 of the Code of Regulations for European Schools, an advance of one half of the sanctioned grant may be made on the strength of the certificate given by the Assistant Engineer in charge of the Vizagapatam Division in view of the fact that the funds at the disposal of the management have almost run out and that a portion of the same was lost in Messrs. Arbuthnot's .

The total expenditure up to date on the two items comes to Rs 17,000 and the Inspector of European and Training Schools recommends that one half of this may be given as advance. This is the first Case of the kind. There appears to be no objection to granting an advance under Article 61 of the Code of Regulations for European Schools, but the report of the Public works Depatt that the work is proceeding satisfactorily has not been submitted. May the D.P.I be asked to submit it?
