I have the honor to inform you
that in February 1906, the Director of Public
Instruction was pleased to grant me
permission to revise Hall and Knight's
Elementary Algebra and to adapt to
Indian Schools. A recent Government
order, however, requires that an officer
shall obtain the previous sanction of
Government for undertaking any private
work. I do not know if this order will
have any retrospective effect and thus
apply to this case.

Under these circumstances, I
have the honor to request that you will
be so good as to submit this application
to the Director of Public Instruction
and move him, if necessary, to
obtain the sanction of Government
to enable me to complete the work
of revision. The work will be done mostly
during the holidays without prejudice
to my duties in the College.

C. No. 630 From the Director of Public Instruction No. 486, dated 14-3-1907.

SUBJECT. Enquiring whether G.O. No. 498 of 26-7-06 prohibiting Educational officers from undertaking private work without the previous sanction of Government is to have retrospective effect.

In G.O. No. 498 of 26-7-06, the Government while permitting Mr. Stone to accept a remuneration of Rs 90 offered by Messrs J. Nelson & Sons, Edinburgh, for preparing three English Reading books, stated that no officer of the educational department should undertake similar work of that nature without the permission of the S.P.I. and the Government.

2. In his letter of 23rd January 1907, M.R. P. B. Hanumantha Rao, Professor of Mathematics, College of Engineering, Madras, states that in February 1906 he obtained the permission of the Director of Public Instruction to undertake the work of revising Hall & Knight's Elementary Algebra to adapt it to Indian Schools. He enquires whether G.O. No. 498 of 26-7-06 is to have retrospective effect and if it is so, he requests that he may be permitted to complete the work, which, he says, will be done mostly during the holidays without prejudice to his own legitimate duties. The S.P.I. recommends the application.
