Station Madras, Dated the 15th March 1907.

From (Name) The Hon'ble Mr. T. T. Logan, B.A.,

(Designation) Ag: Director of Public Instruction,

Madras.

*To the Secretary to the Government of Madras,
Educational Department*

Sir,

The sanction accorded in G.O.No. 602 Educational, N
dated 13th September 1906 to the proposal to employ a mason for
6 months in the Reformatory School at Chingleput will expire by
the 31st March 1907 and I have the honour, therefore, to request
that Government may be pleased to sanction the continuance of the
appointment until the 31st March 1908.

2. The mason was actually entertained on the 6th
December 1906 and the arrangement has had only 3 months trial
given to it and so far it has been a success.

I have the honour to be,
S i r,
Your most obedient servant,

Arthur...

C. No. 647 From the D. B. I. No. 1473 dated 15.3.1907.

SUBJECT.

Continuance of the appointment of mason in the Reformatory School, Chingleput until the 31st of March 1908

N In his letter No 4190, dated 14th July 1906, the D. B. I requested the sanction of Govt. to the introduction of a masonry class in the Reformatory School, Chingleput & to the consequent employment with effect from 1st September 1906 of a temporary mason on Rs 20 per mensem. The proposal of the D. B. I to employ a mason to instruct boys in the Reformatory School, was approved for a period of six months in the first instance, but as it was doubtful whether the services of a really good mason could be procured for Rs 20, the pay of the mason instructor was fixed at Rs 25 per mensem. — Vide G. P. No. 602 Est, dt 13.9.06.

2. The sanction accorded in G. P. No. 602 Est dt 13.9.06 expired on the 31st March 1907. The D. B. I

Dated 15th March 1907

in his current letter requests the sanction of Govt. to the continuance of the appointment until the 31st March 1908.

3. Though the arrangement had only 3 months trial, the mason having been actually entertained only on the 6th December 1906, the D.O. I state that it has so far been a success. The D.P.I. does not however give any details as how the instruction was given, how many students availed themselves of it and what progress was made by them during these three months. From paragraph 2 of S. Bourne's letter on page 2 of S.O. 602 Vol. 2, dated 13th September 1906, it is observed that the intention was to try the experiment for a few years. As the experiment has been tried only for three months and it is stated, with success, the sanction may perhaps be accorded to the employment of the mason until the 31st March 1908.
