GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 21st March 1907.

No.—Ref. on Cur. 8373 of 1906.

In their order No. 586, Educational, dated 23rd September 1902, Government approved of the proposals that the gymnasium attached to the Teachers' College, Saidapet, should be closed as a separate institution, that students to the maximum number of five might be admitted annually for training in the college on payment of a monthly fee of one rupee each and that this fee should be paid to the gymnastic instructor of the college as a remuneration for the extra work that would thus devolve upon him; and under G.O., No. 90, Educational, dated 20th February 1903, this fee of Rs. 5 was ordered to be treated as a personal allowance to the instructor—subject, however, to the condition that if the number of pupils admitted fell short of five, the allowance should be correspondingly reduced. Since the issue of these orders the instructor has, with the sanction of the Director of Public Instruction, been training for three months at a time gymnastic instructors either newly appointed to Government Training schools or already employed in those institutions, with a view to their completing the training they had already had and to their learning the new Infantry drill. From these instructors the usual fee of one rupee was levied whenever it was required to supplement the College Instructor's extra remuneration so as to bring it up to the maximum limit of Rs. 5 sanctioned in the Government Orders quoted above. But last year the College Instructor had, in addition to a batch of five students for a full year's course, another batch of the same number from the Government Training schools and he had to do the extra work without receiving a corresponding increase in his remuneration. In these circumstances, I beg to recommend that the instructor may be permitted to receive remuneration at one rupee from each per mensem in excess of the maximum amount of Rs. 5 already allowed provided that such excess represents the fees of students sent for a *special* course of training in addition to the regular batch.

Order—No. 199, Educational, dated 5th April 1907.

The Government sanction the proposal of the Director of Public Instruction that the Gymnastic Instructor attached to the Teachers' College, Saidapet, should be permitted to receive a remuneration of one rupee a head per mensem from the gymnastic pupils admitted for training in the college in excess of the maximum number of five allowed in G.O., No. 90, Educational, dated 20th February 1907, subject to the condition that the total emoluments drawn by the instructor in any one month do not exceed Rs. 10.

NOTES CONNECTED WITH G.O., No. 199, EDUCATIONAL,
DATED 5TH APRIL 1907.

[SUBJECT.—*Increased personal allowance to the Gymnastic Instructor attached to the Teachers' College.*]

From the Director of Public Instruction, dated 21st March 1907, No. 8373.

Since the abolition of the gymnasium for the training of gymnastic students in the Teachers' College, Saidapet, under G.O., No. 586, Educational, dated 23rd September 1902, the Gymnastic Instructor * attached to that College trains a maximum number of five gymnastic students annually and receives a personal allowance of Rs. 5 per mensem for the work. This allowance is, however, liable under G.O., No. 90, Educational, dated 20th February 1903, to be reduced by one rupee per student, if at any time the number under training falls short of five.

2. The Director of Public Instruction (Hon'ble Mr. Logan) states that in the last year the Gymnastic Instructor had to train ten students but received only the sanctioned allowance of Rs. 5 per mensem and got no extra remuneration for training five students in addition to the maximum number of five fixed in G.O., No. 586, Educational, dated 23rd September 1902.

3. The Director recommends that—

"the Instructor may be permitted to receive remuneration (at one rupee from each, per mensem) in excess of the maximum amount of Rs. 5 already allowed, provided that such excess represents the fees of students sent for a special course of training in addition to the regular batch".

4. The Director's recommendation appears to be that the Instructor's personal allowance should be increased by one rupee per student if the number under training exceeds five, in the same way as it is now reduced by one rupee per student, if the number under training falls short of five.

This is what it amounts to.

C. A. SOUTER.

5. It is for consideration whether the Director's recommendation may be accepted.

C. A. SOUTER—28-3-07.

It appears to me that it makes very little difference to the Gymnastic Instructor whether he teaches five men or ten. Presumably he teaches and drills them all in a single squad. If any additional remuneration is to be given he might receive a capitation allowance of As. 8 a month for each pupil in excess of five for the period of their training.

H. D. TAYLOR—31-3-07.

I would let him have the rupee up to Rs. 10. The rupee is paid and we don't want to make a profit, so long as the capitation arrangement lasts. I doubt if it is the best arrangement for remunerating him. As I take it he has other duties he should not be allowed to take more than 10.
