C. No. 669 From the Director of Public Instruction No. 1518, dated 19-3-1907.

SUBJECT. Requesting sanction to the employment of the Assistant clerk of the Medical College to do the duties of the temporary clerk to the President, Board of Examiners.

Page 1 of current.

The Director of Public Instruction requests sanction to the employment of the Assistant clerk of the Medical College to do also the duties of the temporary clerk to the President, Board of Examiners, Medical College, on a salary of Rs 20 per mensem for a period of six months. The Principal of the Medical College is said to have reported that this work will not interfere with the clerk's regular duties at the College.

2. The proposal to employ a temporary clerk on Rs 20 for six months to help the President, Board of Examiners, Medical College was first sanctioned in G.O. No. 563 Ed. dt 16th August 1906. The Director ^{then} reported that "the services of the clerk will be required for a period of six months in each year - February to July" - please see Director's letter No. 7919 dt 5.9.05 on page 1 of G.O. No. 614 Ed. dt 12-9-05.

3. The pay of the Assistant clerk, whom the Director proposes to ^{entrust} ~~employ~~ ^{the duties of the} as a temporary clerk also, is Rs 15-2-25. There is a provision of Rs 120 in the C.B.E for 1907-1908 (Preliminary issue) on that account, i.e., for a clerk on Rs 20 for six months.

4. In G.O. No. 163 Ed. dt 21st March 1905, the Government declined to pay a clerical allowance of Rs 15 per mensem to the President, Board of Examiners and stated, "if clerical assistance is needed a clerk should be specifically appointed for such time as his services are actually required." Under the circumstances it is for consideration whether the Director has made out a case for the proposed arrangement.

The proposal does not appear to be acceptable. If the Assistant Clerk of the Medical College can do the work of this temporary clerk, without detriment to his legitimate duties, then he may be ~~made~~ ^{made} to do this work, on pay either without additional remuneration or on payment of an allowance of Rs 5 or Rs 10 a month, instead of appointing a temporary full-time clerk at Rs 20 per mensem for six months. The payment of the full salary of the temporary appoint to this clerk, seems to be unnecessary.

I agree. The whole time of the Asst. clerk is at the disposal of Govt. The present application seems to show that a special clerk is not necessary at all, and plurality in appointment of this kind is undesirable. If allowed to hold both, the clerk should get merely, class allowance of 1/10. - or he may be given a special allowance of Rs 5. for 6 months, if financial see no objection.

There seems to be no need for any allowance at all. The present appoin. money shows that the Asst. Clerk has not sufficient work in the Museum Collect apart from the Bd. of Examiners work. It seems to be wrong in principle to give him an extra allowance for being employed fully

Civil

Quite so. I should think the Asst. Clerk might be abolished as such

The Government sanctioned the proposal of the S.P.S. that the Assistant clerk of the Medical College, Madras, should, in future, be required to do the duties of the temporary clerk hitherto employed to assist the President, Board of Examiners of the College, but ~~as~~ the assistant clerk does not appear to have sufficient work in the Medical College, apart from the work connected with the Board of Examiners, they cannot approve the payment of any ^{special} allowance to him or this amount.
