From (Name) The Hon'ble Mr. T.T. Logan, B.A.

(Designation) Ag: Director of Public Instruction,
Madras

To the Secretary to the Government of Madras,
Educational Department

Sir,

I have the honour to submit a plan of the site
selected for the construction of the Government Girls' School,
Anakapalli, together with a valuation statement received from the
Revenue authorities and an estimate from the Executive Engineer
of the cost of its acquisition.

2. The school is of the Lower Secondary grade and
contains 171 pupils. It is held in a small rented building
which is unsuitable in every respect. The site now selected
has been approved by the Public Works Department as suitable
and sufficient in extent for a building in accordance with the
type-design. The cost including the 15% additional allowance
payable under the Land Acquisition Act is estimated by the
Executive Engineer to be Rs 2,000/- and the Collector has
certified that it is reasonable and that no other suitable site
is available in that locality for a lower price. His certificate
is also herewith submitted.
