G.O., No. 661, Educational, dated 6th October 1905.

ABSTRACT.—Communicating to the Director of Public Instruction, for compliance, letter from the Government of India issuing certain instructions for improving the form, etc., of the quarterly catalogue of books issued by the various Local Governments.

Letter—from M.R.Ry. Dewan Bahadur V. KRISHNAMA CHARIAR Avargal,
Registrar of Books, Madras.

To—the Secretary to Government, Educational Department (through the Director
of Public Instruction).

Dated—the 16th March 1907.
No.—182.

Before sending on for printing the manuscripts of the catalogue of books registered during the current quarter at the close of this month, I beg to submit, for the consideration of Government, that it is highly desirable, in the interests of the reading public in this part of India as well as of those resorting to the great Libraries of the British Museum and India Office, London, to get these catalogues printed in bigger types on the lines of other Presidency catalogues, to say nothing of the considerable straining of the eye especially when correcting proofs set up in very small types as used in the present form.

2. I have, therefore, the honour to request that the Superintendent, Government Press, may be instructed to get the present and future catalogues printed in larger types as per sample catalogue.

NOTES CONNECTED WITH G.O., No. 216, EDUCATIONAL,
DATED 12TH APRIL 1907.

[SUBJECT—Printing of the quarterly catalogue of books in larger type.]

From the Director of Public Instruction, dated 25th March 1907, No. 1925.

The Registrar of Books states that the quarterly catalogue of books registered in this Presidency is at present printed in very small type and suggests that it may be printed in bigger type as in other Presidencies.

2. The Director of Public Instruction (Hon'ble Mr. Logan) recommends the Registrar's suggestion for sanction.

3. A copy of the catalogue, as printed in this Presidency, is put up for comparison with the catalogues of the Bombay Presidency and of the United Provinces forwarded by the Registrar.

4. If the suggestion of the Registrar is approved, the draft placed below may issue.

The Registrar of Books made this request to me some months back. I objected to comply with it, because—

Double?

(1) To set the catalogue in type like the Bombay sample will increase the bulk and cost about 100 per cent.

(2) The type used is the same as that used for most other tabular matter in the Gazette.

(3) The style and type is that prescribed in the specimen form in G.O., No. 661, Educational, dated 6th October 1905.

From paragraph 3 of Government of India, Home Department, letter No. 21—305/Books, dated 1st September 1905, quoted in this Government order it appears to be desirable to compress the information as much as possible.

The type used in the Allahabad list in the file is the same size as that used in the Madras list, but the book titles are in antique type. I can follow this, if desired, as soon as the special letters required are made. It will not add much to the cost.
