For 26 vacancies in the grades of Native Military and Madras Burma Medical pupils advertised in the Fort Saint George and District Gazettes in March last, only 16 candidates of the prescribed educational qualifications have sent in their applications to the Secretary to the Commissioner for Government Examinations for the competitive examinations to be held on the 15th of May next. I have therefore the honor to request the sanction of Government to lowering the standard of educational qualifications as has been done, for the same reason, for several years past, and throwing the competitive examination open to those candidates who can furnish evidence of having been admitted, or of being fit for admission, to at least the

As there are now barely five weeks for the competitive examination to come off, and some time will be required to give publicity to the concession by means of a revised notice, I have to request that Government may be pleased to pass very early orders on this reference.

I have the honor to be,

Sir,

Your most obedient servant,

Captain, I.M.S.,

For Surgeon-General with the Government of Madras.

NOTES.

C. No. 864 From the Surgeon Genl- No. 303, dated 9-4-1907.

SUBJECT.

The General educational qualifications of Hospital Assistant pupils.

The matriculation^{name} of the Madras University is the minimum standard of educational qualification prescribed for Hospital Asst. pupils.

Please see Rule 2 (i) on page 3 of G.O. no. 171-2 Edl. dated 11th March 1904 and G.O. no. 267 Edl. dated 24th April 1893.

2. The Surgeon-General reports that, for 26 vacancies in the grades of Native Military and Madras-Burma Medical pupils advertised in the gazette, only 16 candidates possessing the prescribed educational qualifications have applied. He therefore requests the sanction of Govt. to lowering the standard of educational qualifications as has been done in previous years (vide G.O. no. 279 Edl. dated 20th April 1906 and G.O. no. 237 Edl. 10th April 1905) and to admitting candidates who can furnish evidence of having been admitted, or of being fit for admission, to at least the Fourth form of a recognised school.

3. The concession applied for seems necessary and if it is to be granted, the draft

were not the rules on this subject quite
recently revised, the competitive examination
being restricted to those who were not
qualified by rule? If so the S.G's attention
should be called to that point?

Please see rules 3 + 4 of the rules for the
entertainment of native military pupils approved
in G.O. no. 546 bdl. dated 16th August 1906 - p-10.

2. Under rule 4 the special sanction of Govt. is
necessary for lowering the standard of educational
qualification.

3. It is presumed that the Competitive examination
referred to by the Surgeon-General will be restricted
to those who are not qualified under rule 3;
the S.G's attention may however be drawn to the
point. Please see revised draft submitted.
