G.O., No. 82, Educational, dated 18th February 1907.

ABSTRACT.—Accepting the recommendations of the Committee appointed to consider the question of improving the accommodation of the Reformatory School, Chingleput.

II

Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 10th April 1907.

No.—Ref on Cur. No. 2028.

I have the honour to submit that with reference to paragraph 3 of G.O., No. 82, Educational, dated 18th February 1907, I informed the South Indian Railway Company in my letter of the 7th March that the Chingleput Fort tank would be required for the exclusive use of the Reformatory from 1st April 1907. But the Agent states that the time allowed is too short to allow of his making other arrangements to obtain suitable water and requests that it may be extended up to 1st June 1907. The Superintendent of the Reformatory School whom I consulted on the matter sees no objection to this request. I beg, therefore, to recommend that the request of the South Indian Railway Company be granted.

Order—No. 240, Educational, dated 25th April 1907.

In modification of paragraph 3 of G.O., No. 82, Educational, dated 18th February 1907, the South Indian Railway Company will be permitted to draw water from the Chingleput Fort tank for railway purposes till the 1st of June 1907.

2. The Agent, South Indian Railway Company, will be requested to take adequate precautions to see that the tank is not meanwhile liable to further pollution.
