GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from C. A. PATERSON, Esq., M.A., LL.B., Registrar, University of Madras.
To—the Secretary to Government, Educational Department.
Dated—Senate House, Madras, the 19th April 1907.
No.—988.

I have the honour, by direction, to inform you that, on the recommendation of the Syndicate, the Honourable the Vice-Chancellor has selected Mr. Benegal Narasinga Rao, B.A., for the Government of India scholarship placed this year at the disposal of this University.

2. Mr. Narasinga Rao is a Hindu Brahman and is about 20 years of age. He was born at Karkul in the South Canara district. His father, Mr. Benegal Raghavendra Rao, is an officer in the Subordinate Civil Medical service and is at present stationed at Saidapet. The following is a summary of Mr. Narasinga Rao's educational career :—

He studied in the Canara High school, Mangalore, till 1901 in which year he passed the Matriculation examination and was placed first in the list. During his high school course he won nearly all the class prizes. In February 1902, he joined the Presidency College, and in December 1903 passed the F.A. examination again taking the first place in the Presidency. He was therefore awarded by the college the Elphinstone scholarship and the Junior Thompson prize. He continued his studies in the Presidency College and in December 1905 presented himself for the B.A. degree examination with Physics as his Science branch. He took the first place in the first class in English and won the Innes and Christian College medals. He obtained a first class in Sanskrit and being the only one in that class was awarded the Oppert and the Sri Goday Vari prizes and the Bysani Madhava Chetti gold medal. He was first in the first class in Physics also and was awarded the Senior Thompson and the Norton prizes and the Arni gold medal. In February 1906, he joined the M.A. section of the Presidency College with a Government scholarship and has since been studying Physics and doing laboratory work there. At the same time he attended some of the B.A. Mathematics lectures, and having been allowed to do so appeared for the B.A. degree examination in that division in December 1906 and was placed second in the first class.

3. As regards the private means possessed by the candidate, the Syndicate is informed that his father draws a salary of Rs. 175 a month and owns some landed property in South Canara and that he is prepared to place at his son's disposal sufficient funds either now or as they may be required so as to supplement the scholarship allowance.

4. A descriptive roll of the candidate in the form prescribed in G.O., No. 535, Educational, dated the 11th August 1906, is enclosed.

5. The scholar intends joining the University of Cambridge with the object of pursuing his studies in Mathematics and Physical Science.

6. I have furnished him with the rules framed by the Secretary of State for the guidance of Government scholars in England; and he has intimated in writing (*vide* his letter enclosed) his willingness to abide by the rules. He is also prepared to provide two sureties and to comply with all the other formalities observed on previous occasions.

7. On receipt of an order from Government, I shall make the necessary arrangements for the scholar proceeding to England so as to enable him to arrive there in September next.

8. I shall also address the Government Solicitor regarding the necessary bond to be executed by the candidate and his two sureties for the refund of his passage to England and the provision of the return passage to India in the event of his scholarship being forfeited.

ENCLOSURE.

Letter—from B. NARASINGA RAO.
To—the Registrar, University of Madras.
Dated—22, Akbar Sahib Street, Triplicane, the 13th April 1907.

With reference to your memorandum No. 931, dated 11th April 1907, I beg to state as follows :—

(1) I am willing to abide by the rules laid down by the Secretary of State for the guidance of Government scholars in England.

(2) Messrs. Baidur Raghavendra Rao, Assistant Professor, the Presidency College, Madras, and Benegal Raghavendra Rao, Civil Apothecary, Saidapet, are willing to become sureties for the purpose mentioned in rule 7 of the rules framed by the Secretary of State.

(3) I intend joining the University of Cambridge and I wish to study Mathematics and Science.

Order—No. 261, Educational, dated 3rd May 1907.

His Excellency the Governor in Council approves of the selection of B. Narasinga Rao for the Government scholarship tenable in England by natives of India, which has been placed this year at the disposal of the University of Madras.

2. On receipt of information from B. Narasinga Rao as to the probable date of his departure from India, a letter of identification will be furnished to him for presentation in person at the India Office, and the Accountant-General will be instructed to provide him with a second-class passage to England by sea.

3. The Secretary of State will be acquainted with the selection.

(True Extract.)

H. D. TAYLOR,
Ag. Secretary to Government.

SENATE HOUSE, 19 APR 1907

FROM

C. A. PATERSON, Esq., M.A., LL.B.,

Registrar, University of Madras,

TO

The Secretary to Government,
Educational Department.

Sir,

I have the honour, by direction, to inform you that, on the recommendation of the Syndicate, the Hon'ble the Vice-Chancellor has selected Mr. Bengal Narasinga Rau, B.A., for the Government of India Scholarship placed this year at the disposal of this University.

2. Mr. Narasinga Rau is a Hindu Brahmin, and is about 20 years of age. He was born at Karkul in the South Canara District. His father, Mr. Benegal Raghavendra Rau, is an officer in the Subordinate Civil Medical Service and is at present stationed at Saidapet. The following is a summary of Mr. Narasinga Rau's educational career:-

He studied in the Canara High School, Mangalore, till 1901 in which year he passed the Matriculation Examination and was placed first in the list. During his High School course he won nearly all the class prizes. In February 1902 he joined the Presidency College, and in December 1903 passed the F.A. Examination again taking the first place in the Presidency. He was therefore awarded by the College the Elphinstone Scholarship

Scholarship and the Junior Thompson prize. He continued his studies in the Presidency College and in December 1905 presented himself for the B.A. Degree Examination with Physics as his Science Branch. He took the first place in the first Class in English and won the Innes and Christian College Medals. He obtained a first class in Sanskrit and being the only one in that class was awarded the Oppert and the Sri Goday Vari Prizes and the Bysani Madhava Chetti Gold Medal. He was first in the first class in Physics also and was awarded the Senior Thompson and the Norton Prizes and the Arni Gold Medal. In February 1906 he joined the M.A. Section of the Presidency College with a Government Scholarship and has since been studying Physics and doing laboratory work there. At the same time he attended some of the B.A. Mathematics lectures, and having been allowed to do so appeared for the B.A. Degree examination in that division in December 1906 and was placed second in the first class.

3. As regards the private means possessed by the candidate, the Syndicate is informed that his father draws a salary of Rs.175 a month ^{and} owns some landed property in South Canara and that he is prepared to place at his son's disposal sufficient funds either now or as they may be required so as to supplement the scholarship allowance.

4. A descriptive roll of the candidate in the form prescribed in G.O.No.535, Educational, dated the 11th August 1906 is enclosed.

5. The scholar intends joining the University of Cambridge with the object of pursuing his studies in Mathematics and Physical Science.
