Mauritius, Seychelles and Fiji
Government Emigration Agency,
Madras, 19th April 1907.

To

The Hon'ble
The Chief Secretary to Government
Madras.

(Through the Sanitary Commissioner with the Government of Madras)

Sir,

I have the honour to submit, for the kind consideration and favourable decision of Government, this application on behalf of G. Suriyaprakasa Row, who for the past seven years has served as Vaccinator of Emigrants despatched by this Agency to Mauritius, Seychelles, Fiji and Trinidad.

2. It will be seen from the testimonials which he holds from Officers who have been Medical Inspector of Emigrants at Madras and other Medical Officers, copies of which are enclosed, that he has satisfied every one of them as to his capacity and professional efficiency. Besides his employment as Vaccinator he has also served as a Clerk in my office, and I can myself testify to his having given satisfaction in both those capacities by his steadiness and care in his work as well as his general in-

: telligence.

He

3. He comes of a respectable family, being the son of a Commissioned Officer of the 5th Madras Native Infantry, and has passed the Lower Secondary examination and, I understand, studied up to the standard of the Matriculation examination, which however he has not passed. He further holds a certificate of qualification in hygiene.

4. In order to better his prospects he is very desirous of securing the advantage of a training in vaccination at the King Institute, Guindy, but the fact that he is not a matriculate is a bar to his doing so under G.O. No. 945, L, dated 12th August 1906; and, as he has a family whom he has to support, it will be hard to expect him to go back to school to read again.

5. Under these circumstances he prays that Government will be graciously pleased to exempt him from the operation of the G.O. aforesaid so as to enable him to join the class for Vaccinators at the King Institute when it next assembles; and, as I consider him to be really deserving and understand that the exemption has been granted in the case of some other candidates, I beg to recommend him for the concession.

I have the honour to be,

Sir,

Your most obedient servant,

K. Kumara

Government Emigration Agent for

Mauritius, Seychelles & Fiji

Madras, 22nd October 1900.

I have much pleasure to state that I had an occasion to examine the work done by G. Suriyaprakasa Rao, Vaccinator attached to the Mauritius Emigration Depot, and found that the cases vaccinated by him were very satisfactory. He is a willing, obliging young man, and his conduct good, and I am sure he will give satisfaction to his superiors whereever he may be employed.

(Signed) Charles. E. Conran, L.R.C. P. &.S.E.,

Surgeon Superintendent,
