Public 910-1
U.O.
6.3.07

The humble Petition of G. Mohideen Hussein, late Stipendiary Student of the Government of Mysore in the Medical School, Royapuram, residing at Door No.208, Angappa Naick Street, George Town, Madras, care of Sheik Ibrahim:

Most Respectfully Sheweth:

That your Excellency's Petitioner belongs to a very respectable Mahomedan family and whose ancestors for three generations held very responsible and highly paid - appointments in the Government of Mysore such as a Judge of the Adaluth Court, an Amildar and a Police Inspector - respectively. That in consequence of the foregoing circumstances, the Mysore Government on Petitioner's application in 1902 was pleased to admit him to a stipend of Rs.10/- per mensem in view to his qualifying for the Hospital Assistant Grade;

That accordingly Petitioner attended the Victoria Hospital in Bangalore for one year and after undergoing what is known as the Pre-Collegiate Course in his native country, he was admitted to the Medical School at Royapuram; that at the end of Petitioner's first year's course he successfully passed the usual class examination in Materia Medica, Anatomy and Physiology. That unfortunately in the 2nd year of his

studies

materia medica,

studies Petitioner failed in Medicine and Anatomy and the Superintendent recommended his dismissal from the School but on Petitioner appealing to the Government of Mysore, they very generously and kindly requested the Superintendent to re-admit him as a Stipendiary Student in the aforesaid Medical School. That after another year's course of study Petitioner successfully passed in Medicine, Surgery, Anatomy and Materia Medica obtaining more than 50 per cent. of marks in all subjects. That in the final year two Class Examinations are held, one in the month of September & the other in December. That in September Petitioner passed in all subjects but in December he is reported to have failed in 2 subjects, viz., Hygiene and Jurisprudence, passing in Medicine, Surgery and Mid-wifery. In accordance with the rules of the School if a student fails in 2 subjects in his Selection Examination and has been previously remanded, he is subject to dismissal, and accordingly the Director of Public Instruction has sanctioned Petitioner's dismissal;

That against this order of dismissal Petitioner begs very respectfully to approach your Excellency in Council and to pray that your Excellency taking into consideration the very respectable and responsible positions of trust filled by his ancestors in the Mysore State to which allusion has been made above and the desire which now animates Mahomedans to enter into the Government Service, to graciously direct that this dismissal order may be cancelled and Petitioner permitted to appear at the Board's Final Examination which will be held on the 11th March 1907 and thus afford him one more chance of passing. Unless this opportunity is afforded Petitioner, the consequence will be very serious indeed, for a study of 5 years in Medical Subjects will be practically wasted and Petitioner left in the very unfortunate position of not being able to earn a livelihood in the profession selected by him; that should your Excellency's decision be against Petitioner's request to be permitted to appear at the Board's Final Examination on the 11th March 1907, then he very humbly begs that your Excellency will **kindly** sanction his studying in the School for another year as a Private Student, a concession which has been granted to other students, some of whom have been in the School for 6 and even 7 years.

From (Name) The Hon'ble Mr. T.T. LOGAN, B.A.,

(Designation) Ag. Director of Public Instruction.

Madras.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

In returning herewith Government endorsement No. 582-1, Educational, dated 16th March 1907, I have the honour to report-

(i) that G. Mohiuddin Husain was admitted into the Rayapuram Medical School in 1903-04 as a Mysore pupil.

(ii) that in his second year course (1904-05) he was dismissed for failure in three subjects, viz., Anatomy, Materia Medica and Medicine.

(iii) that at the special request of the Mysore Government the Superintendent re-admitted him as a second year stipendiary pupil

& (iv) that he was again dismissed this year for failure in two subjects, viz., Medical Jurisprudence and Hygiene, at the

sessional

sessional examination held in his third year course /1906-1907/.

2 The Board examinations for the current year have already been concluded and the petitioner's request that he may be permitted to appear for examination by the Board cannot therefore be complied with. He does not also appear to be eligible for re-admission to the school as a private student as he has not passed the prescribed general education test, viz., the Matriculation Examination /vide G.O. No. 660 Educational dated 11th October 06/. As the general rules for remand and dismissal of hospital assistant pupils failing at the Board Examinations have been adopted in the case of failures at the class examinations as well, the petitioner is ineligible for readmission under the G.O. quoted above.

I have the honour to be,

Sir,

Your most obedient servant,

C.No.582 From G.Muhi-ud-din Husain, dated 28th February 1907.

Subject.

Requesting that he may be permitted to study in the Medical school, Royapuram as a private student.

It is submitted that the petition may be referred to the Director of Public Instruction for his remarks. The draft endorsement placed below is submitted for approval.

From the D.P.I. No.2005, dated 16th April 1907.

Page 5 of C.f.

The petitioner, G. Muhi-ud-din Husain was a Hospital Assistant pupil of the Royapuram Medical school stipended by the Mysore Government. He was admitted into the school in 1903.

Do.

2. In his second year course the petitioner was dismissed from the school for failure in three subjects at the annual examination, but was readmitted at the special request of the Mysore Government.

Page 2 of C.f

3. The petitioner states that in the final year course for Hospital Assistants two class examinations are held, one in the month of September and the other in December. The petitioner passed in all subjects at the September examination but failed in two subjects at the December examination and was in consequence dismissed.

4.

Page 2 of C.f

4. The petitioner appeals against the dismissal and requests that he may be permitted to appear at the final examination conducted by the Board of Examiners of the Medical College, or if this is not allowed, he may be permitted to join the school and study another year as a private student, a concession which the petitioner says has been granted to many other students.

Page 3 of C.f

Page 6 of C.f.

5. The Director of Public Instruction, to whom the petition was referred for remarks, states that the examination conducted by the Board of Examiners for the current year has already been concluded and the petitioner's request to be permitted to appear for that examination cannot therefore be complied with. The Director further states that the petitioner does not also appear to be eligible for re-admission to the school as a private student as he has not passed the prescribed general education test, viz., the Matriculation examination under rule 6 of the rules for the remand and dismissal of Hospital Assistant students, as revised by G.O.No.660 Edl., dated 11th October 1906.

X

Page 6 of C.f.

6. It will be observed that the Director of Public Instruction states that the petitioner does not appear to be eligible for readmission and not that the petitioner is not eligible. This hesitation on the part of the Director seems to be due to the fact that in dismissing the petitioner the rules governing the failures at the Board examinations approved in G.O.No.375 Edl., dated 8th August 1903, as amended by G.O.No.551 Edl., dated 5th August 1905 were applied to failures at the class examinations. The petitioner was dismissed under rule 3 of the rules for the remand and dismissal of Hospital Assistant Students, which says

D.O.

T

V

"A student who fails at the Board examinations "in two subjects shall be remanded for one year. If the

"the failure is by a student previously remanded, he "shall be dismissed".

V Vide page 4 of G.O.No.551 Edl., dated 5th August 1905.

But the petitioner failed only in the class examination held in December 1906

7. The application of the rules governing the failures at the Board examinations to failures at the class examinations seems to be unauthorised. The Government do not appear to have ever sanctioned this. T The rules approved in G.O.No. 375 Edl., dated 8th August 1903 apply to Board examinations and took the place of the rules approved in G.O.No.697 Edl., dated M 7th November 1889, on page 3 of G.O.No.768 Edl., dated 15th December 1902 which applied to class and sessional examinations. The sessional examinations or the annual examinations at the end of each session are now conducted by the Board of Examiners. Please see para.2 T of Mr. Stuart's letter on page 1 of G.O.No.375 Edl., dated 8th August 1903.

8. In these circumstances it is for consideration whether the petitioner's request to be permitted to re-join the school as a private student and to study another year before appearing for the final examination of the Board may be granted.

The petitioner pleads that if some concession is not given to him, "the consequence will be very "serious, for a study of five years in medical subjects "will be practically wasted and petitioner left in the "very unfortunate position of not being able to earn "a livelihood in the profession selected by him".

(1) How did the man, being not qualified for admission, come to be admitted to the School at all. Presumably it was at the request of the Mysore Govt. (2) Was he stipended by the Mysore Govt.? (3) Please put up the pp. sanctioning his original admission, and also the further representations of the Mysore Govt in 1904-5. There must be on record in the office. In the absence of any special recommendation of the Mysore Govt. there would appear to be no reason to readmit him

2.5.7

(1). It does not appear that the admission of G. Muhi-ud-din Husain into the medical School was sanctioned by the Govt. There are no papers on the subject in the office. Attention is however invited to para 1 of Sir James Bourdillon's letter on p. 2 of G.O. nos 416/17 Edl. dated 7th July 1904 from which it would appear that the rule about the general educational ~~&~~ qualifications of Hospital Assistant pupils was strictly enforced only from the year 1904; and Muhiuddin Husain was admitted in 1903.

N

(2). Muhiuddin Husain is stipended by the Mysore Govt. Please see the first para of his petition on page 1 of current file.

(3). The further representation made by the

Mysore Govt is not also in this office. It was presumably made to the D.P.I. or to the Supdt. of the Rayapuram Medical School.

I do not see that any reason exist for the grant of any further concession to Muhammad Hussain. He is evidently not qualified by general ~~knowledge~~ educational qualification, and there is no special recommendation of the Mysore Govt.

It is not desirable to overload the school with unqualified private pupils.
