NOTES CONNECTED WITH G.O., No. 280, EDUCATIONAL, DATED 10TH MAY 1907.

[SUBJECT.—*Changes in the Special Tests Notification.*]

From the Commissioner for Government Examinations, dated 12th April 1907, No. 119-2/D.

In G.O., No. 69, Educational, dated 8th February 1907, the Government sanctioned certain changes in the scope and character of the Revenue tests of the Special Test Examinations. They decided that for the future there should be two sets of papers each in the Revenue Acts and Regulations and in the Standing Orders of the Board of Revenue. One set of papers should deal with the general principles of the Revenue law and practice embodied in the texts and should be answered without books, and the other set should deal with the more detailed application of the general principles of the Revenue law and practice and should be answered with books. They also decided that the two sets of papers now set in the Income-tax, the Stamp, the Customs and the Excise manuals and in the Special Funds Code should be answered with books and called on the Commissioner for Government Examinations to submit a draft of the alterations to be made in the Special Tests Notification.

2. The Government further approved that the number of the Revenue Acts and Regulations for the Revenue tests should be limited and gave a list specifying the Acts and Regulations which should form the prescribed texts. They also suggested that in order to maintain an even standard of examination and to secure the practical character of the questions put, a preliminary meeting of the Examiners should be arranged at which one or two members of the Board of Revenue might be present and requested the Commissioner for Government Examinations to report in consultation with the Board of Revenue whether any arrangement of the kind could be usefully and conveniently carried out.

3. The Commissioner for Government Examinations now submits a draft notification of the changes to be made in the Special Tests Notification for approval and publication in the *Fort. St. George Gazette* and reports that he consulted the Board of Revenue on the subject of holding a preliminary meeting of the Examiners with one or two members of the Board and that the Board is of opinion that any discussion of the question papers between it and the Examiners is inadvisable and further that no useful purpose will be served by any other preliminary discussion of the subject. The Commissioner concurs in this view and considers it undesirable that any preliminary meeting of the Examiners, as suggested by Government, should be held.

4. The following are the changes proposed in the Special Tests Notification:—

Article 5 of the notification runs—

"The subjects of the several tests and the scope of the examinations in each of them shall be as hereunder specified."

* * * * *

"Revenue Test, Higher grade."

"(1) Revenue Acts and Regulations applicable to the various branches of the Revenue."

* * * * *

The Commissioner proposes that for the words "applicable to the various branches of the Revenue" in the above extract, the following shall be substituted :—

A | "according to the syllabus printed in G.O., No. 69, Educational, dated 8th February 1907, and appended to this notification."

Submitted that it is undesirable to refer to any Government order in the notification and that therefore the list of the Acts and Regulations prescribed may be given in the body of the notification as follows :—

C. A. Souter.

H. D. Taylor.

"(1) Revenue Acts and Regulations—

"Regulation XXV of 1802—Permanent Settlement"

"Regulation XXVI of 1802—Malguzari lands."

* * * * *

5. Article 6 of the Special Tests Notification runs—

"The examination in each test, which shall be by means of printed papers, shall be conducted entirely in the English language."

The Commissioner proposes that the following may be added to this :—

"The use of books will be allowed in answering certain papers in the Revenue Tests as prescribed in the table given in article 11."

C. A. Souter.
H. D. Taylor.

Submitted that the addition proposed may be approved.

6. Article 11 of the Special Tests Notification runs :—

"The following table shows the papers to be set in the subjects of examination under each test, the time allowed to answer each paper and the maximum marks assigned to each :—

Test.	Subjects.	Time allowed.	Maximum marks.
*	* * *	*	*
Revenue Test, Higher Grade.	Revenue Regulations and Acts	Three hours.	120

C. A. Souter.
H. D. Taylor.

Submitted that this revised table may be approved.

7. In the list of Revenue Acts and Regulations given in the appendix to G.O., No. 69, Educational, dated 8th February 1907, five of the India Acts are given in one place and four in another. There appears to be no reason for this distinction.

C. A. Souter.
H. D. Taylor.

Submitted that all the India Acts may be given in one place in the notification now to be published in the Gazette.

8. In paragraph 3 of his note on page 9 of K.W. G.O., No. 69, Educational, dated 8th February 1907, the Revenue Secretary suggested the omission, from the list of Acts proposed to be prescribed for the Revenue tests, of the District Municipalities Act IV of 1884 and the Local Boards Act V of 1884 as having little bearing on Revenue. The Honourable Member passed no orders on this point and these two Acts are now included in the list of Acts and Regulations prescribed for the Revenue tests. This point is again brought forward for consideration as it is not clear whether the Honourable Member meant to include these Acts or not.

T. Kanakasundaram Pillai—4-5-07.

Demi-official from the Hon'ble Mr. T. T. Logan, Ag. Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 6th May 1907.

I am now sending out instructions to examiners for the Special Tests with the necessary papers and am asking them to despatch their question-papers to England by June 5th. I am, however, in a difficulty about the examiners for the Revenue Tests. No orders have yet been passed by Government on the recent proposals regarding these tests. We have been told by Government that there should be two papers instead of one in certain subjects, but we have not yet received orders on the draft notification submitted in which the necessary details regarding these papers are fixed. Examiners must know the length of time to be allowed for each paper. The question-papers to be printed in England must be in the hands of the printers early in July, so that the printed papers may be sent out about the middle of August to be here in time for the examination.

Government are apparently under the impression that as the examination is in October there is no immediate hurry for orders on the draft notification, but the question-papers must be despatched early in June and it is necessary therefore that instructions should be sent to examiners immediately. Will you kindly move Government for very early orders in this matter.

The file is with the Assistant Secretary. It has now been taken out from the Assistant Secretary's table and is submitted herewith.

T. Kanakasundaram Pillai—6-5-07.

The office has unnecessarily delayed this paper.

The Director of Public Instruction's proposals may be accepted as modified above. Honourable Member's orders may be taken on the Local Boards and Municipalities Acts.

C. A. SOUTER—6-5-07.

The Commissioner for Government Examination's proposals may be approved. I see no special object in retaining the Local Boards and District Municipalities Act in the list of Acts to be studied for the Revenue Special Tests.

Except as at **A** page 2 *supra.*

If retained at all they may be starred to be answered *with books.*

H. D. TAYLOR—7-5-07.

I would star the Local Boards Act to be done with Books. The Municipalities Act may be omitted.
