Letter—from the Hon'ble Mr. T. T. Logan, B.A., Acting Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—the 17th April 1907.
No.—Ref. on Cur. 6079/05.

I have the honour to request that you will be so good as to obtain the sanction of Government for the transfer to Bellary of the Government Training school for Muhammadan women at Gunairbeed in Vizagapatam.

2. This school having proved a failure, probably owing to its situation, has had to be closed. But in the Northern Circle there are no less than 60 elementary girls' schools for Muhammadans, of which 17 are maintained by the Government and local boards and provision for the supply of qualified mistresses for these schools is necessary. Madras, where there is the Government Hobart Muhammadan Training school for Mistresses, is too far from these districts and few teachers trained there are willing to go out of Madras. The transfer of the Gunairbeed school to a better locality is therefore necessary.

3. Bellary is by no means an ideal place; but it seems to be the most suitable station in the circle. The Muhammadan female population of the circle is nearly three lakhs of which nearly two lakhs are in the Ceded districts; and Bellary has the largest Muhammadan female population compared with other municipal towns in those districts. Further it will be easier to get a Eurasian headmistress for this station than for any other.

4. The establishment sanctioned for the school consists of five teachers as shown below:—

	Rs.	
Headmistress	50	Training section.
First Assistant	25	
Second Assistant	14	Practising section.
Third Assistant	12	
Fourth Assistant	10	

This staff may be found insufficient and may require strengthening at least by the appointment of temporary assistants. But I consider that it would be premature to formulate any proposals on these heads until the school has actually been started and until it has worked for a time.

Order—No. 285, Educational, dated 13th May 1907.

The transfer to Bellary of the Government Training school for Muhammadan women at Gunairbeed in Vizagapatam is sanctioned.

From the Director of Public Instruction, dated 17th April 1907, No. 607.

The Muhammadan girls' school at Gunnairbeed was originally a private institution under the management of a Committee. On the recommendation of the Director of Public Instruction (Dr. Duncan) it was taken over by the department in 1891—G.O., No. 635, Educational, dated 12th August 1891—and the following establishment was sanctioned for it in G.O., No. 807, Financial, dated 25th August 1891, viz., one headmistress on Rs. 10, one assistant mistress on Rs. 7 and a conductress on Rs. 2, capitation allowance and house-rent excluded. The school was converted into a Muhammadan Training School for mistresses in 1899—*vide* G.O., No. 311, Financial, dated 7th March 1899.

2. The present establishment of the school consists of the following:—

	Rs.	
One headmistress	50	Training section.
„ first assistant	25	
„ second assistant	14	
„ third assistant	12	
„ fourth assistant	10	

(*Vide* page 3 of G.O., No. 783, Educational, dated 1st December 1906.)

3. The Director of Public Instruction has already referred to the closing of the training class of this school in his report for 1905–1906—paragraph 85, page 19, volume I. He now reports that the school having proved a failure has had to be closed, but that the transfer of the same to a better locality is necessary for the following reasons:—

(1) There are no less than sixty Elementary girls' schools for Muhammadans in the Northern Circle, of which 17 are maintained by Government and local boards; and provision for the supply to them of qualified mistresses is necessary.

(2) Teachers trained in the Hobart Training School for mistresses, Madras, are unwilling to go out of Madras, and Madras is too far for teachers of the Northern Circle to be trained in that school.

4. The Director of Public Instruction suggests Bellary as the most suitable station for the transfer. It has the largest Muhammadan population among the municipal towns of the Ceded districts which districts contain two out of the three lakhs of Muhammadan female population of the Northern Circle. An Eurasian headmistress can be easily got for the station.

No. With less difficulty than at other centres.
H. D. Taylor.

5. As to the establishment to be maintained for the school on transfer to Bellary, the Director of Public Instruction is of opinion that the establishment already sanctioned for the Gunnairbeed School will do *for the present*. He says—

"It would be premature to formulate any proposals (as to establishment) until the school has actually been started and until it has worked for a time."

Presumably they will be transferred to the new school.
H. D. Taylor.

6. There is no information, however, from what date the school at Gunnairbeed was closed and how the headmistress and others on the staff have been disposed of. These particulars are perhaps unnecessary.

7. In the circumstances reported by the Director, the transfer of the school to Bellary as proposed with its present sanctioned establishment may be approved.

8. Orders are solicited.

C. R. Vijayaraghava Chari—1-5-07.

C. A. Souter—4-5-07.

The proposed transfer may be approved. It does not appear that the Government are bound to maintain a school at Gunnairbeed. The Islamiya Association handed over the old school unconditionally.

2. There will be no immediate additional expense beyond the travelling expenses of the staff if taken on at the new school at Bellary.

3. Bellary is, however, a long way from Vizagapatam and Ganjám, and it seems doubtful whether mistresses trained in Bellary will be willing to take up posts in the two northern districts.

H. D. Taylor—5-5-07.

The transfer may be approved.
