GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I

Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 5th December 1906.

No.—Ref. on Cur. No. 6830.

I have the honour to submit, for the favourable consideration of Government, the accompanying plan with estimate, amounting to Rs. 11,000, for providing additional accommodation for the American Evangelical Lutheran Mission College, Guntūr, and to request that sanction of Government may be obtained for a grant of Rs. 3,666 towards the cost of the proposed work.

2. This institution was started as early as 1853. Owing to the outbreak of Civil war in America it had subsequently to be closed for several years. In the year 1874 it was however revived as a High school and it continued to work as a High school till 1886 when it was raised to the status of a second-grade college.

3. The institution is open to all classes of students.

4. On the 28th August 1906, the date of application for aid under reference, it had on its rolls 919 pupils against 250 in 1891 when the present building was constructed with the help of a grant of Rs. 22,500 which was sanctioned by Government in its order No. 115, Educational, dated 16th February 1891. The strength of the institution may be expected to increase further with the growing importance of Guntūr which has been made the head-quarters of a District Collector. For want of room the marginally-noted classes are located in a rented building. Further there is no separate accommodation for (1) Principal's office, (2) Teachers' room, (3) Library, (4) Sanskrit and Hindustani classes, and (5) Science room for making experiments. The management proposes to supply these wants by providing an upper storey for each of the wings on

either side of the Central hall. But owing to lack of funds it is proposed for the present to build an upper storey on one wing only.

5. The financial condition of the institution is not such as to enable the management to carry out the proposed work without State aid. During the last official year the net cost to the management amounted to Rs. 1,628-6-4 even though the institution had been in receipt of an annual grant of Rs. 3,000 from Provincial funds and Rupees 933 from Municipal funds besides the income from fees which during the last official year amounted to Rs. 19,342-11-9. I beg therefore to recommend that the grant applied for may be sanctioned.

6. Out of the allotment for building grant in the current year's budget estimate payment of Rs. 13,845 has been authorized up to date.

Memorandum No. 10, Educational, dated 12th January 1907.

With reference to his letter, Ref. on Cur. No. 6830, dated 5th December 1906, requesting sanction for a grant-in-aid of Rs. 3,666 towards the cost of providing additional accommodation for the American Evangelical Lutheran Mission College at Guntūr, the Director of Public Instruction is requested to be so good as to furnish Government with information regarding (1) particulars of the existing foundations and soil, and (2) of the design of the present roof.

(By Order.)

C. G. MACKAY,
Ag. Asst. Secretary to Government.

To the Director of Public Instruction.

III

Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 4th March 1907.

No.—Ref. on Cur. No. 6830 of 1906.

With reference to Government Memorandum No. 10, Educational, dated 12th January 1907, calling for additional information in connection with the application for grants-in-aid towards the cost of providing additional accommodation for the A.E.L.M. College at Guntūr, I have the honour to submit a letter, dated the 12th ultimo, from the Principal of the College furnishing the information called for.

IV

Telegram—from the Chief Engineer, Public Works Department.

To—the Principal, American Evangelical Lutheran Mission College, Guntūr.

Dated—the 19th March 1907.

No.—1831 C.

Your letter 232, 12th February last, to Inspector of Schools regarding additions to college buildings. Please state (the) width of concrete foundations and furnish (a) section of (the) existing roof stating dimensions of scantlings used.

V

Letter—from the Rev. L. B. WOLF, D.D., Principal, American Evangelical Lutheran Mission College, Guntūr.

To—the Chief Engineer, Public Works Department.

Dated—the 21st March 1907.

In reply to your telegram of 19th instant and in continuation of my letter No. 232 of 12th February 1907, I have the honour to send you under registered book post two sketches Nos. 1 and 2. In No. 1 I give you the information asked by you in regard to present roof of the college building in Guntūr. I would just add that this roof has stood for 14 years and shows no signs of sagging. No. 2 is fortunately a copy of the working plan which I found among my old records, giving detail of the character and strength of the concrete under the whole building. You will note that the width of the concrete under the wings is 7 feet 6 inches against 9 feet 6 inches in the hall. The walls under the wings will only be 35 feet high as against 43 feet in the main structure. Kindly return the foundation plan when you are through with it as I wish to keep it for future reference. I should be extremely obliged as I am going on leave in three weeks if this plan could get before the Government and be sanctioned before I leave.

VI

Note by the Chief Engineer, Public Works Department, dated 19th April 1907, No. 52.

The estimate, amounting to Rs. 11,000, for providing additional accommodation for the American Evangelical Lutheran Mission College at Guntur is recommended for sanction subject to the following remarks.

The sections of joists, etc., and rolled steel girders should be altered as noted below :—

	From	To
Joists of rooms marked A, B, C on plan ..	5" x 7½"	4" x 7½"
" " " " D and E ..	5½" x 8½"	4" x 9½"
Joists of verandahs from ..	4½" x 7½"	4" x 8½"
Bressummers of the front verandah ..	6" x 10½"	9" x 10½"
" " of side and rear verandahs ..	6" x 10½"	8" x 10½"
Rolled steel girders of rooms A, B and C.	15" x 6" x 59ths	18" x 7" x 75ths

The number of joists given in the estimate for the rooms A, B and C should be doubled on account of inadequate provision, and the length of bressummer in the rear verandah increased from 42 feet to 54 feet.

As the pressure on foundations after adding an upper storey to the building as proposed, will be only a little over one ton per square foot, the proposal can be safely carried out.

The work can be carried out in a year.

Order—No. 287, Educational, dated 13th May 1907.

The Government are pleased to sanction a maximum grant of Rs. 3,500 towards the cost of providing additional accommodation for the American Evangelical Lutheran Mission College, Guntur, subject to the following conditions :—

(1) That in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted ;

(2) that the work is completed before the 31st May 1908 ;

(3) that a certificate of the actual expenditure incurred on the work is submitted before the 30th of June 1908 ;

(4) that the amount expended on the work does not fall short of Rs. 11,000 as actually verified ;

(5) that all other conditions prescribed in the Grant-in-aid Code have been duly complied with.

2. On the above conditions being fulfilled the grant will be paid as funds become available.

(True Extract.)

No. 287, dated 13. 5. 1907.

P. S.

THE Government are pleased to sanction a maximum grant of Rs. 3500 ~~5666~~ towards the cost of

providing additional accommodation for the American
Evangelical Lutheran Mission College, Juntur,
subject to the following conditions:—

- (1) That in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted;
- (2) that the work is completed before the ^{May} 30th April 1908;
- (3) that a certificate of the actual expenditure incurred on the work is submitted before the ^{31st of May 1908} 31st of May 1908;
- (4) that the amount expended on the work does not fall short of Rs. 11,000 as actually verified;
- (5) that all other conditions prescribed in the Grant-in-aid Code have been duly complied with

2. On the above conditions being fulfilled the grant will be paid as funds become available.
