Copy of a letter from T.S. Ince Esquire Assistant Inspector of Schools, Ceded Districts Division to the Inspector of Schools, II Circle Ref on Cur No. 1135 dated 8th October 1906.

With reference to your Memorandum No. N. Ref on Cur No. 164 /Cu dated 12th September 1906 communicating D.P.I N. Ref on Cur No. 6704/06 dated 7th September 1906 herewith resubmitted I have the honour to submit that when I was at Cuddapah on the 31st January 1906 where I was conducting the grant inspection of the schools therein I received the order of the District Board stating that the school at Sidhout is transferred to Nandalur and that it may be started, I issued orders to the Headmaster to proceed at once to the place and I formally opened the school with a few of the leading gentlemen of the place who had the kindness to co-operate with me and guarantee the proper working of the school. It was gratifying to note that the number of pupils was so large that an establishment consisting of the Headmaster alone could not work it. I therefore appointed C.V. Sitaramaiyya and V Ananda Rau and reported the fact of having done so to the President. The school fees that were collected during the month were nearly equal to that of the expenditure on the school and some time after the President, Taluk Board Sidhout communicated to me the order of the District Board that the establishment entertained by me without the previous sanction of Government should be dispensed with, I accordingly issued orders.

The President, Board
Siddhavallam
I have the honor to report
that, on the morning of the 1st instant
the Lower Secondary School at Siddhavallam
was closed and the Lower Secondary
School at Nandalur was opened.
The furniture was transferred from the
Siddhavallam School to Nandalur School
the furniture will certainly be not sufficient
and the Headmaster has been asked to
submit an indent in a fortnight's time
I expect more pupils than 2 masters
can manage. I beg therefore to make
the following suggestions that, if
there are 60 pupils in the 1st Standard
V. N. VII, a Second Assistant be
employed; the Inspector has
noticed that the Board Primary School
which at present has got pupils in the
4th Standard cannot be managed
by the present Mahammad Ali Teacher
but should have a trained Lower Sec.

The Government accept the Director's conclusion that Mr. Ince's action in directing the ^{employment} of two Assistant masters in the Board Lower Secondary school at Nandalur was bona fide and under the full belief that it would be sanctioned by the District Board.
