Confidential No. 35

Station Madras , Dated the 29th April 1907

From (Name) The Hon'ble Mr. T.T. Logan, B.A.,

(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,
Educational Department.

Sir,

M.R.Ry V.S. Gnanaprakasam Pillai, Instructor (sub-pro-tem) in Surveying and Drawing, College of Engineering, has for some time been on loan to this Department from the Madras Railway and the time has arrived for decision as to whether he should be confirmed in the service or should revert. Col. Love says M.R.Ry Gnanaprakasam Pillai is a good man, but considers it would be advantageous for the college to have a military man as Instructor in Surveying and Drawing who could replace Mr. Reynolds as Superintendent of military students if the latter should go on leave, which is likely. The name of Conductor Ruck is suggested, Sub-Engineer, 2nd grade, who is due from leave next July.

2. In discussing the question whether the Principal should be a civil or military Engineer, the supervision of the military

students

students was considered among other things by the late Mr. Grigg and Government agreed with him in thinking that "there was no reason to suppose an experienced civilian incapable of maintaining the necessary discipline among all classes of students". In accordance with this view the appointment of a military man as Instructor in Surveying and Drawing would appear unnecessary, though it may be desirable.

But the point now is as to a Native
817

3. In case it is decided, however, to employ Conductor Ruck, the next question to be settled would be whether to introduce him into the Provincial Educational Service or to make the appointment independently of that service as a first step towards the introduction of the scheme to staff the college entirely from the Public Works Department.

No such scheme has as yet been sanctioned
817

4. Conductor Ruck's pay and allowances in a Presidency post would, it seems, amount to Rs. 513-12 as shown below:-

	Rs.	as.	ps.
Pay as Sub-Engineer, 2nd grade - - -	200	0	0
Military pay as assistant Commissary - - -	180	0	0
Exchange compensation allowance - - -	23	12	0
Presidency allowance - - - - -	50	0	0
Do house rent - - - - -	30	0	0
Sub Division allowance - - - - -	30	0	0
	513	12	0

?

M.R.Ry Gnanaprakasam Pillai would, if he were kept on in the service and promoted, be in the 7th grade (Rs.300) and if Conductor Ruck be placed in that grade so as to cause no loss of promotion to the officers in the higher grades a personal allowance of Rs. 213-12 will have to be paid to him. If, however, in consideration of Conductor Ruck's present pay he be placed in the 5th grade (Rs.400) the personal allowance to be paid to him will amount to Rs. 113-12.

?

5. To sum up the points at issue:-

- (1) Whether M.R.Ry Gnanaprakasam Pillai should be confirmed or should revert,
- (2) If he should revert, whether he should be replaced by a military man or by an Assistant Engineer of the P.W.D. Provincial Service in accordance with the scheme of reorganisation now under consideration,

(3) Whether the appointment should be made in the Provincial Educational Service or independently of it,

& (4) If it is decided that Conductor Ruck should be appointed and appointed in the Provincial Educational Service, in what grade of that Service he is to be placed.

I have the honour to be,

Sir,

Your most obedient servant,

A. H. Parrott

For Director of Public Instruction.
