Letter—from C. A. Paterson, Esq., m.a., ll.b., Registrar, University of Madras.
To—the Secretary to Government, Educational Department.
Dated—Senate House, the 14th May 1907.
No.—1232.

With reference to correspondence ending with G.O., No. 275, Educational, dated the 9th May last, in regard to Mr. B. Narasinga Rao, the Government scholar to England, I have the honour to inform you that the scholar has arranged for his passage to England by the P. & O. Home line instead of by the B.I. line, and that he intends leaving Bombay on the 25th May 1907 by a steamer which sails on that date. I enclose a copy of his letter on the subject.

I have ascertained that the second-class fare to London all the way by sea by the B.I. line is Rs. 420 and that the scholar is himself prepared to pay the excess over this amount for a passage by the P. & O. line. I have therefore the honour to request that you will be so good as to forward to me, by return of post, the letter of identification to be furnished to the scholar and to instruct the Accountant-General to pay me at an early date the sum of Rs. 420, his passage money.

I enclose herein the bond duly executed by Mr. Narasinga Rao and his two sureties in connection with the scholarship.

Enclosure.

Letter—from Mr. B. Narasinga Rao.
To—the Registrar, University of Madras.
Dated—the 14th May 1907.

In reply to your Memorandum No. 1196, I beg to state that I intend leaving India for England on the 25th May 1907 by the P. & O. Steamer "Persia" which leaves Bombay on that date.

Government has permitted me to proceed to England in June next; but, I believe, a difference of a few days will not matter very much.

Order—No. 299, Educational, dated 18th May 1907.

A letter of introduction will be furnished to the Registrar for transmission to B. Narasinga Rao.

2. The Accountant-General will be requested to engage a second-class passage to England from Bombay by the P. & O. Steamer which leaves that port on the 25th instant for B. Narasinga Rao, who has undertaken to pay the excess over the cost of a similar passage by the B.I. line. If the candidate has already engaged a passage, the Accountant-General will pay him the amount required to secure a passage by the B.I. line *minus* the discount allowed to Government.

3. The bond will be forwarded to the Chief Secretariat for safe custody.

Dated Ootacamund, the 18th May 1907.

Sir,

I am directed to inform you that the bearer B. Narasinga Rao is the candidate selected for the Government scholarship tenable in England by Natives of India which has been placed this year at the disposal of the University of Madras. He has been permitted to proceed to England immediately where he will be under the care of Mr. R. Ll. I have the honour to be,
Sir,
Your most obedient servant,

Ag. Secretary to Government.

NOTES CONNECTED WITH G.O., Nos. 299-300, EDUCATIONAL, DATED 18TH MAY 1907.

[SUBJECT.—*Letter of introduction to be furnished to B. Narasinga Rao Government of India scholar to Enland.*]

From the Registrar, Madras University, dated 14th May 1907, *No.* 1232.

B. Narasinga Rao was permitted in G.O., No. 275, Educational, dated 9th May 1907, to proceed to England in June next under the care of Mr. R. Ll. Jones, Professor of Physics, Presidency College, who has undertaken to be responsible for Narasinga Rao in Cambridge until September next. He now wants to leave for England on the 25*th instant* by the P. and O. Steamer *Persia* which leaves Bombay on that date.

2. The Registrar of the Madras University accordingly requests that the letter of identification to be furnished to B. Narasinga Rao may be forwarded to him and that the Accountant-General may be authorized to pay him the sum of Rs. 420, the cost of a second-class passage by the B.I. line. He states that Narasinga Rao will pay the excess amount required for securing a passage by the P. and O. line.

3. Under paragraph 2 (2) of the letter from the Government of India, Department of Commerce and Industry, dated 12th October 1902, on page 3 of G.O., No. 698, Financial, dated 3rd November 1906, passages, the ultimate liability for which rests on Government, should be engaged through the agency of Government officers in order that the discount allowed to Government may be claimed subsequently on the 1st January or 1st July of each year. The cost of the passage for Narasinga Rao cannot therefore be paid to the Registrar as requested. The Accountant-General may be asked to engage the passage or if it has already been engaged to pay the cost of it *minus* the discount allowed to Government.

The descriptive roll was received with the Registrar's letter No. 988, dated 19th April 1907, and has already been forwarded to the Secretary of State. Please see paragraph 5 of despatch No. 3, dated 8th May 1907.

I understand that Mr. Jones has promised to be responsible for him only *at Cambridge*, not on the voyage? If so the letter is inaccurate.

T. Kanakasundaram Pillai—17-5-07.

The summer vacation of the Presidency College began on the 6th instant; so Mr. Jones might have left for England.

May the letter as altered by the Secretary now issue?

That may be so, but in the absence of papers I can't recollect.

H. D. Taylor.

How can Mr. Jones be responsible when he is not on the steamer?

H. D. Taylor.

What Mr. Jones said was that he would be responsible for Narasinga Rao until the October term began, *i.e.*, until the date on which the scholarship fell due. I take it that this responsibility lasts on the voyage. May the draft issue.

C. A. Souter—17-5-07.

Financial should accept in regard to the question of passage money and there was a recent order which I recollect to have seen only a few days back.

2. It appears that the scholar has already *arranged* for a passage by S.S. *Persia* on May 25th.

The ruling referred to in the Educational Department note is probably G.O., No. 252, Financial, dated 24th April 1907, in which the rates of passage allowance granted under article 1027 (2) of the Civil Service Regulations in lieu of a first-class passage to a Civil officer entitled to conveyance at the public expense between England and India is fixed. This, however, does not apply in this case, as B. Narasinga Rao cannot be considered a Civil officer and as he will be provided with a second-class passage only.

Paragraph 2 of G.O., No 261, Educational, dated 3rd May 1907.

2. Under the instructions in G.O., No. 404, Financial, dated 23rd June 1904, the selection of the line of steamship by which passage is allotted should be guided by considerations of economy. The liability on Government, if the British India Steam Navigation Company which is the cheapest be selected would amount to Rs. $(420 - \frac{5^*}{100} \times 420 =)$ 399. It is proposed in the Educational Department to pay this amount to B.
