EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from C. WILLMOTT, Esq., Ootacamund.
To—the Director of Public Instruction.
Dated—the 22nd April 1907.

I have the honour to apply on behalf of my son Moreton Willmott for the scholarship of £ 200 a year advertised in the Government of India Resolution No. 221--38, and to declare that the conditions laid down in the said resolution have been made known to my son, and that he is prepared to abide by them.

In the event of my son being selected he would proceed to one of the Cambridge colleges to study for the Indian Civil Service, for which, I believe, he might be successful as he is a thoughtful and intelligent boy.

As regards myself, I beg to state that I was for twenty-four years in the service of the Hyderabad State, retiring from it three and-a-half years ago on pension, after being its First Assistant Financial Secretary for a considerable period. I am now a permanent resident of Ootacamund, where I am an Honorary Magistrate and Honorary Secretary of the Nilgiri Library.

The necessary certificates concerning my son are attached. I should be obliged if his birth certificate could be returned, a copy being kept for attachment to this application.

ENCLOSURES.

(1)

School certificate of Master Moreton Willmot.

Master Moreton Willmott, son of C. Willmott, Esq., Ootacamund, has been under my charge for the last five years. He followed with remarkable success the ordinary curriculum of secondary schools, including French and Latin. He stood first in proficiency in three classes, won a scholarship in the Middle School examination, and was placed third on the Bengal list in the High School examination held in November 1906. He is now continuing his studies in our special department.

He has proved all along a really intelligent student and withal earnest and steady in his work.

He is an all-round first-rate student, for to natural talents he adds an excellent moral character, gentlemanly behaviour and even success in sports. Last year he had the rare distinction of being first in the high class and of winning at the same time the cup for the highest bowling average in the college.

I have no hesitation to give him the full weight of my recommendation as a most fit, deserving and promising candidate for the £200 scholarship.
