NOTES CONNECTED WITH G.O., No. 317, EDUCATIONAL, DATED 25th MAY 1907.

[Subject.—*Cancellation of the bond prescribed for execution by persons selected to hold State Technical Scholarships.*]

From the Government of India, dated 8th May 1907, *No.* 345.

In G.O., No. 251, Educational, dated 6th April 1906, the Government prescribed a form of agreement for execution by persons selected to hold the State Technical scholarships established by the Government of India. Copy of the Government Order with the form was also forwarded for the information of the Government of India.

2. The Government of India considered it desirable that the conditions attaching to the State Technical scholarships should be uniform in all provinces and that if bonds were essential the holders of the scholarships in all provinces should be required to execute them. They therefore proposed to ask for the views of the other Local Governments on the form of agreement prescribed by this Government and on the receipt of their replies to address the Secretary of State on the subject. They accordingly requested that the form of bond prescribed by this Government might be held in abeyance—*vide* Mr. Marris' letter No. 519, dated 14th July 1906, on page 2 of G.O., Nos. 516, 517, Educational, dated 3rd August 1906.

Vide Mr. Marris' letter No. 519, dated 14th July 1906.

3. In letter No. 517, Educational, dated 3rd August 1906, the Government of India was informed that only one technical scholarship had been granted by this Government and that the scholar, G. N. Deval, had executed a bond. This Government further stated that the execution of the bond would be held in abeyance in respect of any further scholarship that might be granted until final orders were received on the subject.

4. The Government of India now state that the majority of Local Governments are not in favour of requiring a bond with sureties in the manner prescribed by the Government of Madras; that they (the Government of India) concur in this view and have accordingly decided that no bonds should be taken from State Technical scholars unless and until it is found that the present rules do not give sufficient hold over them. They accordingly request that the form of bond prescribed in G.O., No. 251, Educational, dated 6th April 1906, may be cancelled.

5. Submitted that the form of bond prescribed may now be cancelled and the draft placed below may issue.

H. D. Taylor.

6. It is for consideration whether the bond executed by G. N. Deval which will be found printed in G.O., No. 478, Educational, dated 14th July 1906, may not also be now cancelled.

This seems unnecessary.
