G.O., No. 483, Educational, dated 15th August 1902.

ABSTRACT.—Approving, with certain modifications, the revised rules submitted by the Director of Public Instruction regulating the constitution and working of the Law College and the grant of the Morehead Law scholarship.

II

Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 4th May 1907.

No.—Ref. on Cur. No. 2146.

Rule 3 of the rules for the award of the Morehead Law scholarship approved in G.O., No. 483, Educational, dated 15th August 1902, lays down that the scholarship shall be awarded annually to the student of the Law College, Madras, who stands highest in the list of successful candidates at the First Examination in Law and that in cases in which students are bracketed equal, the amount of the scholarship shall be divided equally between them. The value of the scholarship is Rs. 210 per annum or Rs. 105 per term, but when it is divided equally between two students under the rule quoted above, each student gets only Rs. 52-8-0 per term, while the student next below in rank who is eligible for the scholarship under rule 23 of the College rules gets a scholarship of Rs. 100 per term. Thus a student who is third in the examination would receive according to the rules a scholarship of higher value than the two students who are bracketed first. To avoid this anomaly, I have the honour to recommend that the principle of dividing the Morehead Law scholarship between eligible candidates be given up and that the Director be empowered to decide on the recommendation of the Principal, Law College, which of the bracketed students is the more deserving—other circumstances, *e.g.*, poverty, regular attendance, etc., being taken into consideration. The student who is not chosen for the Morehead scholarship may be given one of the scholarships under rule 28 of the Law College rules in years when both these scholarships are not required for Muhammadan or Uriya students. If this recommendation is approved, rule 3 of the Morehead rules may be amended by substituting for the words "the amount of the scholarship shall be divided equally between them" the words "the Director shall decide to whom the scholarship shall be awarded". I beg also to recommend that the amendment, if approved, may have retrospective effect from 1st January last.

Order—No. 319, Educational, dated 27th May 1907.

The recommendations made by the Director of Public Instruction in his letter read above are approved.

2. The following notification will be published in the *Fort St. George Gazette* :—

NOTIFICATION.

In rule 3 of the Morehead Law Scholarship rules published in notification No. 92 on pages 654-657 of Part I-B of the *Fort St. George Gazette*, dated 21st October 1902, for the words "the amount of the scholarship shall be divided equally between them" shall be substituted the words "the Director shall decide to whom the scholarship shall be awarded."

The above modification shall have effect from 1st January 1907.

"The scholarship shall be awarded annually to the student of the Law College, Madras, who stands highest in the list of successful candidates at the First Examination in Law. In cases in which students are bracketed equal, the amount of scholarship shall be divided equally between them." The value of this scholarship is Rs. 17-8-0 per mensem or Rs. 105 per term.

2. Under rule 28 of the Law College rules, two Government scholarships of the value of Rs. 100 per term are awarded annually in the B.L. class on the results of the First Examination in Law. This rule says :

"One of the scholarships shall be awarded to the Muhammadan or Uriya student who passes highest in the examination, and the other to the student, other than a Muhammadan or Uriya, who passes highest in the same examination. Provided that if the Morehead scholarship is awarded to either of the students eligible for scholarships under this rule, the corresponding Government scholarship shall be awarded to the student who stands next highest in the examination. In cases in which students are bracketed equal, the amount of the scholarship shall be divided equally between them."

3. The Director of Public Instruction (the Hon'ble Mr. Logan) recommends that the principle of dividing the Morehead scholarship between eligible candidates be given up and that he (the Director) be empowered to decide on the recommendation of the Principal, Law College, which of the bracketed students is the more deserving, other circumstances, e.g., poverty, regular attendance and other things, being taken into consideration, and that the student who is not chosen for the Morehead scholarship may be given one of the two scholarships under rule 28 of the Law College rules in years when both these scholarships are not required for Muhammadan or Uriya students.

4. The grounds for this recommendation are—

(1) The value of the Morehead scholarship is Rs. 210 per annum or Rs. 105 per term, but when it is divided equally between two students under rule 3 of the Morehead scholarship rules, each student gets only Rs. 52-8-0 per term, while the student next below in rank who is eligible for the Government scholarship under rule 28 of the Law College rules gets a scholarship of Rs. 100 per term.

Rule 3 of the Morehead Law scholarship Rules
says

"The scholarship shall be awarded annually
to the student of the Law College Madras, who
stands highest in the list of successful candidates
at the first examination in law. In cases
in which students are bracketed equal, the
amount of scholarship shall be divided equally
between them. The value of this scholarship is Rs 175
per annum or Rs 105 per term."

2. Under Rule 28 of the Law College rules,
two Govt. scholarships of the value of Rs 100
per term are awarded annually in the B.L.
Class on the results of the first examination in
law. This rule says

"one of the scholarships shall be awarded
to the Muhammadan or Vriya student
who passes highest in the examination, and
the other to the student, other than a
Muhammadan or Vriya, who passes highest
in the same examination. Provided that if,
the Morehead Scholarship is awarded to

Two students under Rule 3 of the Morehead Scholarship rules, each student gets only \$52.80 per term while the student next below in rank who is eligible for the Govt. Scholarship under Rule 28 of the Law College rules, gets a scholarship of \$100 per term.

5. Mr. Logan accordingly suggests that Rule 3 of the Morehead Rules may be amended by substituting for the words "the amount of the Scholarship shall be divided equally between them", the words "the Director shall decide to whom the Scholarship shall be awarded". He further recommends that the amendment, if approved, may have retrospective effect from 1st January 1907.

amendment of Rule 3 of the Morehead
Scholarship Rules maybe approved. Under
Rule 3 of these rules; it is competent for
the Director of Public Instruction; with the
sanction of the Govt. of Fort St. George, to
modify the foregoing rules, should circum-
stances seem to call for such modification.
In the present case the necessity for the suggested
alteration of Rule 3 has appears to have been
clearly made out.
