Dated—the 14th May 1907.
No.—Ref. on Cur. No. 1766.

With reference to Memorandum No. 645-1, Educational, dated 26th March 1907, I have the honour to state that the Principal and Secretary, Lawrence Asylum, Ootacamund, reports that the nursery matron (as she is more generally called) is the same as the lower school matron shown in the list of establishment accompanying the

budget estimates of the asylum. He reports also that as the present matron who was engaged on Rs. 40 without promise of increase has served over three years and has performed her duties satisfactorily, the committee have recommended that she should receive Rs. 50 a month which was the maximum pay of former matrons. A copy of the committee's resolution on the subject is submitted herewith.

NOTES CONNECTED WITH G.O., No. 322, EDUCATIONAL,
DATED 28TH MAY 1907.

[SUBJECT.—*Requesting sanction to raise the pay of the nursery matron attached to the Lawrence Asylum, Ootacamund, from Rs. 40 to Rs. 50 per mensem.*]

From the Director of Public Instruction, dated 15th March 1907, No. 1766.

The Director of Public Instruction submits to Government a letter from the Principal and Secretary, Lawrence Asylum, Ootacamund, in which the latter states that the Committee of the Lawrence Asylum, at its meeting held on the 15th February 1907, resolved to raise the pay of the nursery matron from Rs. 40 to Rs. 50 a month, which is the maximum pay of the situation and requests the sanction of Government to the increase from 1st February 1907.

2. According to the list of establishments of the asylum printed on pages 10 and 11 of G.O., No. 290, Educational, dated 24th April 1906, there are eight matrons distributed as follows:—

Male Branch.								Per mensem.
								RS.
One upper school matron ..	..	..	..	..	..	..	..	50
„ lower „ ..	..	..	..	..	..	..	..	40
„ matron—hospital ..	..	..	..	..	..	..	..	50
Female Branch.								
One head matron ..	..	..	..	..	..	..	..	50
Three assistant matrons ..	..	..	..	..	..	..	..	35 each.
One „ matron ..	..	..	..	..	..	..	..	30

3. From this it is not clear which of these is referred to by the Principal and Secretary. There is only one lower school matron on Rs. 40. But the matron whose pay it is proposed to raise is designated the "Nursery matron". The Director of Public Instruction may perhaps be asked to furnish this information.

K. RANGASWAMI AIYANGAR—23-3-07.

Further, the Director has failed to submit the resolution of the Committee of the Lawrence Asylum. It is for orders whether he may be asked to furnish the resolution of the Committee also.

P.R.—23-3-07.

The draft memorandum placed below is for approval.

[Memorandum No. 645-1, Educational, dated 26th March 1907.]

From the Director of Public Instruction, dated 14th May 1907, No. 1766.

The Director of Public Instruction reports that the nursery matron is the same as the lower school matron shown in the list of establishment accompanying the budget estimates of the Asylum and that she is more generally called "Nursery matron."

2. The present matron was engaged on a pay of Rs. 40 some three years ago and as she has performed her duties satisfactorily, the committee recommends that her pay may be raised to Rs. 50 which was the maximum pay of former matrons. The pay of the post formerly was Rs. 50. Please see page 17 of G.O., No. 262, Educational, dated 3rd May 1902.

3. If the Committee's recommendation is accepted, the draft placed below may issue.

T.K.—22-5-07.

The extra expenditure involved by this proposal is Rs. 120 per annum. According to the budget estimate for 1907-1908 sanctioned in G.O., No. 191, Educational, dated 2nd April 1907, the Male Branch of the Lawrence Asylum, to which the nurse in question is attached, had an estimated surplus of Rs. 5,157 in the receipts over the expenditure in 1907-1908, and the estimated closing balance at the end of the year is Rs. 11,443.

K. RANGASWAMI AIYANGAR—23-5-07.

C. A. SOUTER—23-5-07.

The pay of the matron in question might perhaps be made progressive at Rupees 40-1-50 and past service in the post be allowed to count for increments, which would give her Rs. 43. But this could hardly be adopted in the case of a single appointment without being applied to all.

SUBJECT. Requesting sanction to the raising of the pay of the nursery matron attached to the Lawrence Asylum, Botocanum, from Rs 40 to Rs 50.

Page 2 of current.

The Director of Public Instruction submits to Government a letter from the Principal + Secretary, Lawrence Asylum, Botocanum in which the ^{letter} Principal states that the Committee of the Lawrence Asylum, at its meeting held on the 15th February 1907, have resolved to raise the pay of the Nursery matron from Rs 40 to Rs 50 a month, which is the maximum pay of the situation and requests the sanction of Govt to the increase from 1st February 1907.

2. According to the list of establishments of the Asylum printed on page 104 of G.O. No. 290 of 24th April 1906 there are 8 matrons distributed as follows:—

Male Branch

- | | |
|-----------------------------|-------------------|
| 1. Upper School Matron on | Rs 50 per mensem. |
| 1 Lower School Matron | 40 |
| 1 Matron — Hospital — | 50 |

Female Branch

| 1. Head Matron on | Rs 50 |
| 3 Assistant Matrons on | Rs 35 each per mensem. |
| 1 " " " | 30 per mensem. |

3. From this it is not clear which of these is referred to by the Principal + Secretary. There is only one Lower School matron on Rs 40. But the Matron whose pay it is proposed to ~~raise~~ is designated the "Nursery Matron". The D.P.I. may perhaps be asked to furnish this information. Further the Director has failed to submit the resolution of the Committee of the Lawrence Asylum.

Also page 9 of the Budget statement for 1907-08.

By "nursery matron" the D.P.I. obviously refers to the Lower School Matron. But perhaps it is better to get clear information on the point.
