My lord and most revered and hon^{ble}
I the undersigned
I fully beg to bring the following to your most
Considerations.
That I had been employed
Government Mahomedan S. R. School at
local limits of Madras for a period of 9 years
I had discharged my said duties to the entire
Satisfaction of my superiors, giving them no grounds for
dismissal (then service) as a teacher. I had been
sick and this occurred through filial affection
to get him out of the trouble and change that was
and save him from conviction, which my illness
in distress and trouble, and after my release
I took to honest living, which I earned by
a school, and that owing to the above, being at
the eyes and opinion of my superiors and officers
to conceal the above said facts as above, and my
saying, has turned out serious against me, and
I confessed the facts as above, and now owing
saying my service has been discontinued with
me from 1st of October 1873 to 31st of October 1873
gratuity for my 9 years good and arduous service
into your kind considerations and minute
Tender.
I further beg to bring
that this said school was established by me on
which date, there had been no school in the
territories for your kind favors and
min statement.
Hoping to meet with
for which I and my
will in duty bound ever pray — I beg

My Lord and most revered and honorable members of the Council,
I fully beg to bring the following to your consideration.

That I had been employed as Government Mahomedan S. R. School in the local limits of Madras for over a period during which I had discharged my duties with fidelity and no grounds for complaints.

That long before my entrance into this service I had been married at an early age (boyhood age) and this occurred affection for my aged mother, to get her out of the hands of the law against her from conviction, which any child would be distressed and troubled and after my imprisonment I took to honest living by keeping and maintaining a school owing to the above, being ashamed of a ruin and opinion of my superiors and I was compelled to conceal the above. which I am sorry, has now turned against me, and when I was questioned the facts as above, and now owing to my services have been dispensed.

I therefore pray that the above will
your kind considerations and re-in-
the employ as teachers.

I enclose all my letters
to you for your perusal
and am, dear friend,
yours truly,
J. W. F.

Hoping to meet you in person
as before, and to be able to
see you in person, I am, my dear
friend, very truly,
your friend,
Wm. Lloyd Garrison

There are no new facts which form
 sufficient ground upon which to
 reconsider the orders already passed -
 but I have some sympathy for the
 memorialist who, after conviction,
 has endeavored to earn an honest
 livelihood. Had his offence been
 committed when he was younger
 & had he gone to the Reformatory school
 he would not have been cast adrift.
 I think it all the more ^{all} ^{to} him
 that, when thrown upon his own

His denial of his previous
 conviction of course goes against him.
