Su,

A bronze medallion of the late Rajah of Parla-kimedi which was recently executed in the School of Arts to the order of the Court of Wards has been approved by the Court and a charge of Rs 750 has been made for it. The modelling of the medallion which was from photographs, was done entirely by the Assistant Superintendent, M.R.Ry M. Velayuda Asari, out of the ordinary class hours and both the Superintendent of the School and the Inspector of Technical Schools recommend that he may be granted an honorarium of Rs 250 for the extra labour involved in successfully carrying out the work. The Superintendent reports further that after paying the honorarium there will still remain a very large margin of profit to the school. I have the honour to request that the sanction of Government may be obtained

Remuneration to M.R.Ry. M.
Velayuda Asari of the School of
Arts.

The D.P.I. reports that a bronze medallion of the late Rajah of Parlakimedi was recently executed in the School of Arts to the order of the Court of Wards but that the modelling of the medallion was entirely done by M.R.Ry. M. Velayuda Asari, Assistant Superintendent of the School, out of his ordinary class hours and that a charge of Rs.750 has been made for it.

2. The Superintendent of the School of Arts and the Inspector of Technical Schools now recommend that out of the sum of Rs.750 charged for the medallion, a remuneration of Rs.250 may be given to Mr. Velayuda Asari for the extra labour involved in successfully carrying out the work. The D.P.I. supports the recommendation.

3. The Superintendent, School of Arts, further reports that after paying the honorarium, there will still remain a very large margin of profit to the school.

It is for consideration whether the proposal of the D.P.I. may be accepted.

In connection with the question of framing general rules to regulate the receipt by Government officers of fees for extraneous work which they may be required to undertake, the local Government have accepted the proposal that, in the case of work done for any person or body other than a local authority, not more than one-half of the amount of the fees prescribed by the local Government to be levied for the work done ~~be~~ ^{should} be paid ~~to~~ ^{to} the officer doing the work. In the case of contributions made to Science, literature or art, the Government have, however, recommended that the full remuneration may be received by the officer provided that work of this nature is not undertaken without the previous sanction of the local Government.

2. The work in the present case falls under the head of artistic work, but the modelling of the meda medallion seems prima facie to be a duty which the Government may look to ^{the} Assistant Superintendent of the School of Arts to perform. The facts that (1) he worked out of office hours at the modelling and

(2) there was a profit of over Rs. 250 to the School seems to be not altogether to the point. As to (1) ~~numerous~~ Government servants work beyond office hours without overtime ^{fee} and with reference to (2) the profit should, it is thought, all go to the school whatever it is.

The Hon Mr Stokes C.S.I

The question is whether the Asst. Supr. of the School of Arts should be granted an honorarium of Rs. 250 for making a medalion out of office hours. Submitted that the amount might be given. ~~The amount~~ It will come out of 750 rupees paid for the medalion, & with that there will still be a good profit to the school.

I am that Rs. 250 may be given.
