GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 4th May 1907.

No.—Ref. on Cur. No. 1114.

I have the honour to point out that in section VI, chapter XI of the Code of Regulations for European Schools it is stated that each student undergoing training shall be given a stipend by Government the amount being fixed by each local Government. In article 118 of the Madras Educational Rules the maximum rate of Stipends that may be sanctioned for European and Eurasian mistresses in the Collegiate and Secondary departments of Training institutions is stated, but no provision has been made therein for European and Eurasian teachers who wish to undergo training in the elementary grade. The Inspector of European and Training Schools reports that he has admitted to the Training school, Trichinopoly, a Eurasian teacher who has passed the Lower Secondary examination and is to undergo training in the elementary grade with a view to subsequent employment in a European school. The Inspector recommends that the rate of Stipends for male teachers of this grade be fixed at Rs. 25 per mensem. This recommendation is made with regard to the rate, viz., Rs. 30 allowed for European male teachers in the secondary grade. I consider the Inspector's proposal reasonable and request that orders may be passed accordingly. As there are no institutions in this Presidency specially intended for the training of such teachers they have to enter institutions intended primarily for the training of native teachers.

Order—No. 363, Educational, dated 11th June 1907.

The Government are pleased to fix the maximum rates of Stipend for European and Eurasian Masters and Mistresses of the elementary grade at Rs. 25 and Rs. 15 per mensem respectively.

2. The following will accordingly be inserted under "Elementary department" in rule 118 of the Educational Rules :—

NOTES CONNECTED WITH G.O., No. 363, EDUCATIONAL, DATED
11TH JUNE 1907.

[SUBJECT.—Rates of stipend for European and Eurasian masters and mistresses of the elementary grade.]

From the Director of Public Instruction, dated 4th May 1907, No. 1114.

The rates of stipends payable to students undergoing training in a training institution are laid down in rule 118 of the Educational rules. Under this rule special rates subject to certain maxima may be sanctioned for Europeans and Eurasians in the Collegiate and Secondary departments. These maximum rates are as follows :—

Collegiate Department.

		Rs.
Masters		35
Mistresses		25

Secondary Department.

Masters		30
Mistresses		20

No special rates are, in this rule, laid down for Europeans and Eurasians in the elementary department. No reason for this omission can be found in the discussion regarding rule 118 on pages 59 to 61 of K.W. G.O., No. 509, Educational, dated 31st July 1906.

K. RANGASWAMI AIYANGAR—28-8-07.

2. A Eurasian teacher of the elementary grade has now been admitted for training into the Training school, Trichinopoly, and the Director of Public Instruction recommends that the rate of stipend for European masters of the elementary grade may be fixed at Rs. 25 per mensem. The ordinary rate for a teacher of the elementary grade is Rs. 5 per mensem.

Will not this be raised to Rs. 6 under the revised proposal for training schools?

H. D. TAYLOR.

3. The Director of Public Instruction suggests that this rate of Rs. 25 per mensem for Europeans and Eurasians may be fixed by Government under article 121 of the Code of Regulations for European schools, but as the rate of stipends for European teachers of the Collegiate and Secondary grades are given in rule 118 of the Educational rules, the rates of stipends for European teachers of the elementary grade also, it is submitted, should be given in the same rule.

4. The Director recommends the fixing of a maximum rate for European masters of the elementary grade only. He does not recommend a rate for European mistresses

Apparently no case has yet come up.

of the elementary grade; the reason is not known. As it cannot be that there are no European or Eurasian mistresses of the elementary grade, it is submitted that opportunity may be taken to fix the rate of stipends for such mistresses also. As the stipend for a European mistress of the secondary grade is Rs. 20, the stipend for a mistress of the elementary grade may be fixed at a little less than this figure on, say, Rs. 15.

5. It is for consideration whether the stipend of Rs. 25 recommended by the Director of Public Instruction for a European master of the elementary grade may be accepted and whether a stipend for a European mistress of the elementary grade may also be fixed at Rs. 15.

T.K.—28-5-07.

C. A. SOUTER—29-5-07.

Before the matter goes further, the Director of Public Instruction may be asked what rate of stipend he would suggest for European and Eurasian mistresses of the elementary grade while under training and what would be the average emoluments of such masters or mistresses when actually employed.

H. D. TAYLOR—30-5-07.

To the Director of Public Instruction.

OFFICE OF DIRECTOR OF PUBLIC INSTRUCTION.

A I would suggest that Rs. 15 be the stipend for European and Eurasian mistresses of the elementary grade while under training. Their average emoluments when actually employed would be in the case of masters about Rs. 25 and in the case of mistresses Rs. 20.

T. T. LOGAN—1-6-07.

The Director of Public Instruction's proposal at A *supra* may be approved and may be embodied in rule 118 of the Educational rules. This proposal differs from the Director of Public Instruction's proposal which was that Rs. 25 should be given to European masters under training in the elementary grade.

Demi-official from H. D. Taylor, Esq., I.C.S., Acting Secretary to Government, Educational Department, to the Director of Public Instruction, dated 13th June 1907, No. 1094-2.

The Government have approved your proposal to fix the maximum rates of stipend for European and Eurasian masters and mistresses of the elementary grade at Rs. 25 and Rs. 15 per mensem respectively and orders are issuing modifying rule 118 of the Educational rules accordingly. I am, however, directed to request that instructions may be issued to the authorities responsible for awarding these stipends to see that the special rates are given only to Europeans and to Eurasians who come under the definition of "European" given in article 2 of the Code of Regulations for European schools.

In article 118 of the Madras Educational Rules the maximum rate of stipends that may be sanctioned for European and Eurasian mistresses in the Collegiate and secondary Departments of Training institutions is stated but no provision has been made therein for European and Eurasian teachers who wish to undergo training in the elementary grade. The Inspector of European and Training Schools reports that he has admitted to the Training School, Trichinopoly, a Eurasian teacher who has passed the Lower Secondary Examination and is to undergo training in the elementary grade with a view to subsequent employment in a European school. The Inspector recommends

that the rate of stipends for male teachers of this grade be fixed at Rs 25 per mensem . This recommendation is made with regard to the rate viz. Rs 30 allowed for European ^{male} teachers in the secondary grade. I consider the Inspector's proposal reasonable and request that orders may be passed accordingly. As there are no institutions in this Presidency specially intended for the training of such teachers they have to enter institutions intended primarily for the training of native teachers.

of the Elementary Grade.

The rates of stipends payable to students undergoing training in a training institution are laid down in Rule 118 of the Educational Rules. Under this rule special rates subject to certain maxima, may be sanctioned for Europeans and Eurasians in the Collegiate and Secondary departments. These maximum rates are as follows :-

Collegiate Department.

Masters		Rs. 35.
Mistresses		Rs. 25.

Secondary Department.

Masters		Rs. 30.
Mistresses		Rs. 20.

No special rates are, in this rule, laid down for Europeans and Eurasians in the Elementary department. No reason for this omission can be found in the discussion regarding rule 118 on pages 59 to 61 of K.W. G.O.No.509 Edl., dated 31st July 1906.

2. A Eurasian teacher of the Elementary grade has now been admitted for training into the Training school, Trichinopoly and the Director of Public Instruction ~~wants to give him a stipend. To enable him to do so, the Director recommends that the rate of stipend for European masters of the elementary grade may be fixed at Rs.25 per mensem. 3. The Director of Public Instruction seems to suggest that this rate ^{of Rs. 25 per month for Europeans & Eurasians} may be fixed under article 121 of the Code of Regulations for European schools, but as the rate of stipends for European teachers of the Collegiate and Secondary grades are given in rule 118 of the Educational Rules, the rates of stipends for European teachers of the elementary grade also, it is submitted, should be given in the same rule.

4. The Director recommends the fixing of a maximum rate for European masters of the elementary grade only. He does not recommend a rate for European mistresses of the elementary grade; the reason is not known. As it cannot be ^{that} there are no European ^{or Eurasian} mistresses of the Elementary grade, it is submitted that ~~this~~ opportunity may be taken ^{to} fixing ~~the~~ the rate of stipends for such mistresses also. As the stipend for a European mistress of the Secondary grade is Rs. 20, the stipend for a mistress of the elementary grade ^{may} ~~should~~ be ^{fixed at} a little less than ^{this figure or say} Rs. 15.

5. It is for consideration whether the stipend of Rs. 25 recommended by the Director of Public Instruction for a European master of the Elementary grade may be accepted and whether a stipend for a European mistress of the Elementary grade may also be fixed ^{at Rs. 15.} and if so, at what rate.
