Affiliation of Colleges.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper:—

Letter—from the Hon'ble Mr. T. T. Logan, B.A., Acting Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Camp Coimbatore, the 11th June 1907.
No.—D.O. T. 19.

I enclose my promised reply to u.o. from Government, dated 9th May 1907, regarding pending schemes connected with the new University Regulations.

Enclosures.

Under the new University Regulation 370 the first examination for the B.A. (Honors) will be held in March and April 1914 so that the *teaching* for it need not commence earlier than 1911. The question of the Honors course and the additions to the staff required for it may, therefore, lie over for the present.

The question of the *pass* course is more urgent. Under regulation 369 it has to be decided immediately in what subjects or groups of subjects each of the four Arts Colleges under Government is to be affiliated to the University for the pass standard. Under instructions from me a conference was recently held in Madras of the Principals and Professors or Chief Lecturers of the three first-grade colleges to discuss the various questions connected with the new regulations and in particular the subjects in which each college should be affiliated to the University and the methods of instruction which may be rendered necessary by the new regulations. A copy of their resolutions is appended. The recommendations I make below are entirely in accord with the resolutions of the conference in regard to the three first-grade colleges.

Name of College.	Subjects in which to be affiliated.	
	Intermediate.	B.A. Pass degree.
	Optional groups—	Optional groups—
Presidency College ..	i, ii, iii and iv	i. ii (*a*), ii (*b*), iii, iv, v and vi.
Kumbakónam College ..	i, iii and iv.	i, iv, v and vi.
Rajahmundry College ..	i, iii and iv.	i, ii (*a*), iv, v and vi.
Mangalore College ..	i, iii and iv.	..

As to the additions to the staff required under these recommendations Mr. Allen reports that so far as the pass course is concerned he can with the existing staff meet in full the demands of the new regulations. The number and class of additional lecturers required for the other colleges are exhibited in the subjoined statement—

Subject.	Number of existing teachers.			Additional number of teachers required.		
	Kumbakónam.	Rajahmundry.	Mangalore.	Kumbakónam	Rajahmundry.	Mangalore.
English	3	8	2	1	1	..
Mathematics, Physics and Chemistry	2	4	1	1	1	1
Logic, etc.	2	2	1	..	..	..
History and Economics	2	1	..	1	2	May be managed with the existing staff.
Language other than english ..	2	2	2	2	2	Do.

It is highly desirable that the newly appointed teachers of language other than English should be men, not of the present pandit class, but graduates who are scholars in their respective languages.

Of the 12 additional teachers required it is suggested that two should be placed in the Provincial service—one for each of the Kumbakónam and Rajahmundry Colleges—and that the remaining 10 should be placed in the newly formed Subordinate Educational service—Collegiate branch. The two additional appointments in the Provincial service may be one on Rs. 300 and the other on Rs. 400 so as to avoid congestion in the lowest grades and the 10 additional appointments in the subordinate Educational service may be one on Rs. 175, two on Rs. 150, three on Rs. 125 and four on Rs. 100.

Early approval is requested of the subjects or groups of subjects as specified above in which each college is to be affiliated, as the affiliation should be effected before 30th instant.

Conference of Principals, Professors and Chief Lecturers of Government first-grade Colleges held in the Presidency College under Director's Proceedings No. R.C. 1196, dated 12th March 1907, on the 19th and 20th April 1907.

Present:

Mr. H. J. Allen (President)—*Presidency College.*

Mr. J. H. Stone.

Dr. Wilson, Messrs. Jones, Duncan, Littlehailes, Scott, Mangesh Rao, Rangachari and Ramuni Menon—*Presidency College.*

Messrs Hodges, Sundararama Aiyar, Guruswami Aiyar and Seshu Aiyar—*Kumbakónam College.*

Messrs. Hunter, Sankara Rau, Rajagopala Aiyar, Subramanya Aiyar and Arulanandam—*Rajahmundry College.*

1. Mr. Mark Hunter was elected Secretary to the Conference.

2. The following resolutions were passed:—

I. That it is not expedient for the Kumbakónam and Rajahmundry Colleges to undertake honours courses at present. (Carried unanimously.)

II. That the Kumbakónam College should be affiliated for the Intermediate course in optional groups I, III and IV, and for the Pass degree course in optional groups I, IV, V and VI. (Carried unanimously.)

III. That the Rajahmundry College should be affiliated for the Intermediate course in optional groups I, III and IV, and for the Pass degree course in optional groups I, II (*a*), IV, V and VI. (Carried unanimously.)

IV. That the Presidency College should pay primary attention to the Honours courses, with a view ultimately to confine itself to these courses.

V. That the Presidency College should be affiliated for the Intermediate course in optional groups I, II, III and IV. (Carried unanimously.)

VI. That the Presidency College should be affiliated for the Pass degree course in optional groups I, II (*a*), II (*b*), III, IV, V and VI, and for the Honours degree course in branches I, II (*a*), II (*b*), III, IV, V, VII and VIII.

VII. That the number of formal lectures which students in the Intermediate and Pass degree courses are required to attend should not, as a general rule, exceed fifteen a week. (Carried by a majority, Messrs. Littlehailes, Sankara Rau, Rajagopala Aiyar and Seshu Aiyar dissenting.)

VIII. That of the working hours per week not less than eleven should be assigned to English for Intermediate students and twelve for Pass degree students, the number of lectures in each case not exceeding seven.

IX. That in the Intermediate course two hours a week should be devoted to composition in the vernacular.

X. That in general five hours a week should be devoted to Mathematics in the Intermediate course and four to Physics.

XI. That in the Intermediate course five hours a week formal lecturing in History and two hours in Logic should be sufficient.

XII. That for the efficient working of the courses in which it is proposed that the Kumbakónam and Rajahmundry Colleges should be affiliated, the strength of the staff in each College should be as follows :—

Subject.	Strength of staff.	
	At Kumbakónam.	At Rajahmundry.
English	4	4
Mathematics, Physics and Chemistry	4	5
Logic, etc.	2	2
History and Economics	3	3
Languages other than English	4	4
Total ..	17	18

XIII. That all professors, lecturers and assistant lecturers should possess special qualifications based on special studies and, wherever possible, on special training for the particular work they have to do.

XIV. That the "professional" qualification should not be insisted on.

Mark Hunter,
Secretary.

H. J. Allen,
President.

Order—No. 387, Educational, dated 18th June 1907.

The proposals of the Director of Public Instruction as regards the subjects in which the Presidency College and the Colleges at Kumbakónam, Rajahmundry and Mangalore should be affiliated to the Madras University for the Intermediate and the B.A. (Pass) Degree examinations are approved with the remark that steps should be taken to introduce Physical Science as a branch of affiliation into the Kumbakónam College.

2. The Director of Public Instruction is requested to address the Government separately regarding the employment of the additional establishment required for these Colleges.

Article 369 of the University Regulations says—

> "Every college which is now affiliated to the University shall, within six months of the "coming into operation of the new regulations, be required to declare in what subjects or groups "of subjects it desires to consider itself affiliated and such declaration shall entitle the college "to be treated as affiliated to the University in such subjects or groups of subjects. Provided "that no college shall be treated as affiliated for a higher standard than that for which it is now "affiliated, and in the case of a first-grade college in any branch other than that in which it is "now affiliated."

2. The Director of Public Instruction now requests approval of the subjects or groups of subjects in which the Government * colleges are to be affiliated, as the affiliation should be effected before the 30th † instant. His recommendations will be dealt with below :—

* 1. Presidency College (1st grade).
2. Kumbakónam " (").
3. Rajahmundry " (").
4. Mangalore " (2nd grade).

† The regulations came into force on 31st December 1906.

Page 23 of G.O., No. 841, Educational, dated 27th December 1906.

3. *Intermediate examination.*—Article 178 of the University regulations prescribes the following courses of study for the Intermediate examination :—

I. English Language and Literature.

II. Composition in one of the following vernaculars (Tamil, Telugu, Malayalam, Canarese, Marathi, Uriya, Hindustani), or, if the candidate's vernacular is other than one of the above or is English, composition in English.

III. One of the following optional groups :—

i. (*a*) Mathematics, (*b*) Physics, (*c*) Chemistry.

ii. (*a*) Natural Science, (*b*) Physics, (*c*) Chemistry.

iii. (*a*) Ancient History, (*b*) Modern History, (*c*) Logic.

iv. (*a*) Ancient or Modern History, (*b*) a Classical Language, (*c*) a Second Classical Language, or one of the Foreign or Indian Vernacular languges, in which candidates are examined for the Matriculation examination.

4. The Director of Public Instruction proposes to affiliate the Presidency College in all the four groups of optional subjects and the Kumbakónam, Rajahmundry and Mangalore Colleges in groups (i) (iii) and (iv) of III. These proposals may be approved.

C. A. Souter.
H. D. Taylor.

5. *B.A. Pass-Degree.*—Article 189 of the University Regulations prescribes the following courses of instruction for the Bachelor of Arts Degree :—

Page 28 of G.O., No. 841, Educational, dated 27th December 1906.

Part I—English Language and Literature.

Part II—One of the following groups :—

(i) Mathematics.
(ii)(*a*) Physical Science.
(ii)(*b*) Physical ,,
(iii) Natural ,,
(iv) Logic, Psychology and Ethics.
(v) History and Economics.
(vi) Two languages already studied in the Intermediate course, with portion of the History and Literature of both languages.

6. The Director of Public Instruction now proposes to affiliate the Presidency College in all the optional groups and the Kumbakónam and Rajahmundry Colleges in groups (i), (ii), (v) and (vi) and groups (i), (ii)(*a*), (iv), (v) and (vi), respectively.

Kumbakónam will be purely literary—practically—and to teach Mathematics without Physical Science seems irrational.

G. S. F[ORBES].

7. These colleges are at present affiliated in the following subjects :—

Presidency College—(i), (ii)(*a*), (ii)(*b*), (iii) (*a*), (*b*), (*c*) and (*d*) (iv) and (v).

Kumbakónam College—(i), (iv) and (v).

Rajahmundry College—(i), (ii)(*a*) and (iv).

Vide page 49 of the University Calendar for 1906–1907, Volume II.
Vide page 41 *ibid.*
Vide page 55 *ibid.*

8. The Director of Public Instruction's present proposals involve the addition of group (vi) in the case of all the colleges, and the further addition of group (v) in the case of the Rajahmundry College.

9. It seems doubtful whether having regard to the proviso in article 369, which says that no first-grade college shall be treated as affiliated under that article "in any branch other than that "in which it is now affiliated", the proposal of the Director of Public Instruction to add group (v) to the Rajahmundry College will be admissible. The addition of group (vi) to all these three colleges seems, however, to be unobjectionable as the following languages are already taught in these colleges :—

History is now taught and Economics are in great part History. The Director of Public Instruction's proposal may be approved

C. A. SOUTER—15-6-07.

Yes. The Syndicate will rule the proposal out if not in order.

10. As the first Intermediate examination under the new regulations will be held in March and April 1911 and the first B.A. Degree examination in 1913, the new courses of studies for the Intermediate examination should commence in July 1909, and those for the B.A. Degree in July 1911.

Article 370 of the new regulations, page 94 of G.O., No. 841, Educational, dated 27th December 1906.

11. The Director of Public Instruction states that 12 additional teachers will be required if his proposals in regard to the subjects in which the colleges should be affiliated are approved; and he observes that two of them may be placed in the Provincial Educational Service (one on Rs. 400 and one on Rs. 300) and the remaining ten in the Subordinate Educational Service (one on Rs. 175, two on Rs. 150, three on Rs. 125 and four on Rs. 100). The total extra cost involved by these proposals is Rs. 23,400 per annum. The question of the additional establishment may, however, be considered after the question of affiliation has been settled.

Rs. 700 + 1,250 = 1,950 × 12
= Rs. 23,400.

H. D. TAYLOR.

K. RANGASWAMI AIYANGAR—14-6-07.

C. A. SOUTER—15-6-07.

The Director of Public Instruction's proposals as to affiliation may be approved. If there is any technical objection on the ground that the proposals are opposed to the University regulations, the matter is one for consideration by the Syndicate (section 21, Universities Act, page 32 of the Calendar).

2. The question of additional establishments may be taken up later. It will not be required till 1909, but the additional cost is very near the limit (Rs. 25,000) which requires the Secretary of State's sanction and under article 75, Civil Service Regulations, similar sanction is requisite to the two proposed posts on Rs. 400 and Rs. 300.

3. Application for affiliation must be made before the close of the current month.

H. D. TAYLOR—15-6-07.

Article 369 is a transitory provision : and affiliation in other branches can be procured when the colleges are prepared to provide the teaching staff.

Meantime the Director's proposals may be approved; but steps should be taken to introduce Physical Science as a branch of affiliation into the Kumbakónam College.

Under the new University Regulation 370 the first examination for the B.A. /Honors/ will be held in March and April 1914 so that the teaching for it need not commence earlier than 1911. The question of the Honors course and the additions to the staff required for it may, therefore, lie over for the present.

The question of the pass course is more urgent. Under Regulation 369 it has to be decided immediately in what subjects or groups of subjects each of the four Arts Colleges under Government is to be affiliated to the University for the pass standard. Under instructions from me a Conference was recently held in Madras of the Principals and Professors or Chief Lecturers of the three 1st Grade Colleges to discuss the various questions connected with the new Regulations and in particular the subjects in which each college should be affiliated to the University and the methods of instruction which may be rendered necessary by the new Regulations. A copy of their resolutions is appended. The recommendations I make below are entirely in accord with the resolutions of the Conference in regard to the three 1st Grade Colleges.

As to the additions to the staff required under these recommendations Mr. Allen reports that so far as the pass Course is concerned he can with the existing staff meet in full the demands of the new regulations. The number and class of additional lecturers required for the other colleges are exhibited in the subjoined statement:

~~The courses taken up by undergraduates in Part II of the B.A. degree examination shall be related to the optional groups of the Intermediat examination according to the following table:--~~

~~Group (i) of the Intermediate shall qualify for groups (i), (ii), or (iv) of the B.A. courses.~~

~~Group (ii) of the Intermediate shall qualify for groups (iii) or (iv) of the B.A. courses.~~

~~Group (iii) of the Intermediate shall qualify for groups (iv) or (v) of the B.A. courses.~~

~~Group (iv) of the Intermediate shall qualify for group (vi) of the B.A. courses.~~

6. The D.P.I. now proposes to affiliate the Presidency College in all the optional groups and the Kumbakonam and Rajahmundry Colleges in groups (i), (iv), (v) and (vi), and groups (i), (ii)-A, (iv), (v) and (vi), respectively.

7. These colleges are at present affiliated in the following subjects:--

Presidency College.--(i), (ii)-A, (ii)-B, (iii)-A, B, C & D, (iv) & (v).

Kumbakonam College.--(i), (iv) and (v).

Rajahmundry College.-(i), (ii)-A and (iv).

8. The D.P.I.'s present proposals involve the addition of group (vi) in the case of all the colleges, and the further addition of group (v) in the case of the Rajahmundry College.

History is now taught & economics are in great part history. The D.P.I.'s proposal may be appd

9. It seems doubtful whether having regard to the proviso in Article 369, which says that no first grade college shall be treated as affiliated under that Article "in any branch other than that "in which it is now affiliated", the proposal of the D.P.I. to add group (v) to the Rajahmundry College will be admissible. The addition of group (vi) to all these three colleges seems however to be unobjectionable as the following languages are already taught in these colleges:--

Presidency college.--Sanskrit, Latin, Arabi, Persian, Hindustani, Tamil, Telugu, Canarese and Malayalam.

Kumbakonam college.---Sanskrit and Tamil.

Rajahmundry college.--Sanskrit and Telugu.

10. As the first Intermediate Examination under the new Regulations will be held in March and April 1911 and the first B.A. Degree examination in 1913, the new courses of studies for the Intermediate Exam should commence in July 1909, and those for the B.A. Degree in July 1911.

affiliated are approved; and he observes that two of them may be placed in the Provincial Educational Service (one on Rs.400 and one on Rs.300) and the remaining ten in the Subordinate Educational Service, one on Rs.175, two on Rs.150, three on Rs.125 and four on Rs.100. The total extra cost involved by these proposals is Rs.23,400 per annum. The question of the additional establishment may however be considered after the question of affiliation has been settled.

The DPI's proposals as to affiliation may be approved. If there is any technical objection on the ground that the proposals are opposed to the University Regulations, the matter is one for consideration by the Syndicate (see 21. Universities Act. p32 of the Calendar).

2. The question of addl. establishments may be taken up later. It will not be required till 1909 - but the addl. cost is very near the limit (R25000) which requires the S. of State's sanction - and under art 75 CSR similar sanction is requisite to the two proposed posts on R400 & R300.
